## City's annual Tree Branch Pick-Up returning in May

The City of Cottage Grove's annual Tree Branch and Limb Pick-up is only about a month away.

With the upcoming opportunities for great weather, now is the time to trim and start collecting the limbs and branches to put out for the city crews to pick up.

The first round of the Tree Branch and Limb Pick-up will begin on Monday, May 3.

The Tree Branch and Limb Pickup is meant to provide an opportunity for residents to trim trees and shrubs specifically those trees and shrubs that are located along streets and sidewalks and dispose of those materials at no cost.

Trees are supposed to be trimmed up to eight feet above sidewalks and over 13 feet above the street.

Residents are asked to

pay particular attention to those trees and their impact on the sidewalks and streets.

Make sure that no tree branches block signs.

In addition to trimming the trees that are

along streets and sidewalks, residents should feel free to trim all the other trees and shrubs on their property.

For more information, visit the city's website.
