VIRGINIA MARTINEZ

Virginia has been such a dedicated student this semester. Attending class regularly, communicating frequently, asking questions, having a great attitude and engaging in class discussions. In this virtual world, it has meant so much to be able to hear students and be as "real" as we can be to one another. Keep the momentum going, Virginia!

AARABELLA CHAPMAN

The Student of The Month for April is 4th grader Aarahbella Chapman in Mr. Alkire's 4th/5th Grade class. Aarah-

bella's family moved to Cottage Grove this year. Bella has been a wonderful addition to London School! She has already displayed the qualities of a London Knight--she is safe, respectful, responsible, and considerate. Bella has such a bright outlook and kind demeanor as well. I also appreciate Bella's sense of humor and her ability to get along well with others and her positive interactions with her classmates. We are glad to have her as part of our little school family.

ethic has impressed all of her teachers. Jenifer is an academic risk taker who, unafraid to make mistakes, bravely puts her all toward learning new material. When she does make a mistake, she uses it to further her learning by asking questions and examining her work to figure out how to improve it. In addition to her excellent attitude about learning and growing, Jenifer is kind. She treats all of her classmates and teachers with respect and takes the time to listen to other people's thoughts and ideas.
