

Home repair funds available through Rural Rehab Program

St. Vincent DePaul Society of Lane County has limited funds available to repair homes in Cottage Grove.

Owners/buyers of home and land may qualify for a three percent interest rate (APR 1.149%), no-monthly-payment loan. Income limits are determined by household size.

For more information, contact Andy Clay at 541-743-7128.

City conducts mobility hub survey

The City of Cottage Grove is looking to design a mobility hub that meets the transit needs of its community. As part of our research, the city is reaching out for feedback about mobility hub needs.

A mobility hub is a centralized location where many different forms of transportation meet up to make using transit even more convenient.

The study that is being created will be separated into three parts. The first part is to identify what

a transit hub generally would need — as well as identify what the Cottage Grove community would want in a centralized transit area.

The city will then analyze Row River Trailhead Park and identify its current, proposed, and long range uses and how the mobility hub could work within these plans.

Lastly, it will examine how these two overlap and decide how to properly build this for the community.

The public is asked to participate in a survey to gain the community's input on what kind of additional transportation modes the public would like to have access to in the community.

The survey will be available until the end of August.

For more information, contact Abby Gisler at agisler@southlanstransit.com.

The online survey can be found at: forms.gle/XQwuBxEbV4zWYw7.

LIBRARY from A1

it because there are still people who don't feel comfortable going into public buildings or who have challenges getting into some public buildings, whether it's mobility issues or not having a ride."

Though masks are not presently required, staff is encouraging people to use their best judgement and follow Centers for Disease Control guidelines.

The library is budgeted for four FTE (full-time equivalent), but currently operates with only two staff people.

"We'll probably do more outreach once we get a full staff," said Chitow.

To request materials, the public can call 541-942-3828, email holds@cottagegrove.org, or log in to an online account.

Elsewhere in the Community Center, a new space for Senior and Disability Services is still under construction.

Over the next three months, city staff will be remodeling the northwest portion of the Community Center (the former location of the Genealogical Society Library) to accommodate Senior and Disability Services and Café 60. This will complete the scheduled renovations of the building.

Until it is complete, the organization will be working from the Reception Hall.

Likewise, the Senior Center is not yet ready for operations.

Other groups, though, have opened their doors.

South Valley Athletics (SVA), for one, has recently posted up in the old Cham-

ber of Commerce office.

"I love being here, it's just a lot nicer," said SVA Office Administrator Smiley Glenn. "There's a lot more people coming in now that we're open, and so a lot more interactions with people. And it's a great location for us, because we're more centrally located."

The Cottage Grove Genealogical Society Library is also enjoying a new space. As part of remodeling, the old therapy pool area was converted into an office to house its library of historical documents.

"I think that Cottage Grove is very blessed that our city cares so much about preserving our local

history," Debra Monsive, assistant librarian at the Cottage Grove Genealogical Society. "And the city has been so gracious to let us be housed in the Community Center for quite a few years."

The Genealogical Society is currently limiting its hours to 1 - 4 p.m., Wednesday to Friday due to a need for more volunteers.

As well as these offices, the Shepherd Room and limited other spaces in the Community Center are available for community use.

For those wishing to use a meeting room, contact Teresa Cowan or Jessica Klarr at 541-942-1185.
