## I Was Completely Helpless With Rheumatism

Could not move, the least bit of a jar would make me shunt with pain. I was afraid I should be a cripple for life, as prescriptions did me no good. Finally I went for a bottle of Hood's Balsamipills which helped me much and soon Doctor more got me on my feet so that I could walk without crutches. I was soon well enough to work on my farm.”—W. H. ### RHEUMATISM, SCIATICA AND CATARRH

Cured by "5 DROPS" Three Years Ago.

He is still well and writes, on Oct. 10, 1898: "I feel it a duty that I owe to God and suffering humanity to announce to you and all the world what '5 DROPS' has done for me."

BIRKINSHIRE, FERRY CO., IND., JAN. 25, 1898.

SWANSON RHEUMATIC CURE COMPANY.—I would like to thank you for your great remedy, "5 DROPS," and tell you what it has done for me. I had Rheumatism in every joint and in the heart, and I had "gastro of the Head" for 20 years. I was so painful that I lost the use of my legs and arms, and could not move without pain. I was so crippled that I had done but little work for seven long years, and our family physician, a good doctor, told me that my Rheumatism and Catarrh were incurable, and I believed him. But now, AFTER THREE YEARS, I AM WELL AGAIN. I can run, sit, stand, walk, and do anything. I have gained weight and have scarcely any Rheumatism at all, and the heart weakness and pain are gone. My mother is now good and my strength is much better. I have gained more than 50 pounds of flesh and can do a full day's work. It is the best medicine I ever saw to give a mother who has a young child, for it has the same effect on the child as on the mother. It wards off Grippe and cures the Hives of the child, and causes sweet and refreshing sleep to both young and old. WM. M. KELLEMS.

### SIX TESTIFY TO ITS TRUTH.

In a letter of October 10, 1898, from Mr. Kellems, he says: "I feel it a duty that I owe to God and suffering humanity to announce to you and all the world that I am yet in the ring with untold thousands of others, to testify to the great merits of your valuable remedy called "5 DROPS." I believe I was the first sufferer in this part of the earth to learn of the existence of "5 DROPS," some three years ago. I was then badly afflicted with Rheumatism, Catarrh, etc., which my letter of Jan. 25, 1898, fully details. All I can say is, "5 DROPS" cured me. To make a long story short, "5 DROPS" needs no recommendation in this part of the country, as everyone knows the "5 DROPS" remedies. I have had a large number of cases of Rheumatism, sciatica, catarrh, and many other pains than any other medicine that has ever been sold or heard of. For the last three years I have noticed the effect "5 DROPS" has on the sick. Through my own observations as well as my brother, who is a practicing physician, and OTHERS THE "5 DROPS" IN HIS PRACTICE. All ye that wish for further information, write and you are sure to get a reply without any delay. I will tell you what I have done in this letter, absolutely reserving it to any one that I may come in contact with. I myself can never forget what this remedy has done for me and many others. Yours very truly,

W.M. M. KELLEMS, Hibery, Ind.

A tourist, who has just returned from South Africa, tells the following anecdote: "On one of the railway-trains there is a train—the train crossing along at the rate of six miles an hour, was suddenly brought to a standstill. 'What's the matter, guv?' was the anxious query of a passenger. 'Oh, sir, only a cow on the track.' The observation having been removed, the train started on, and at the end of an hour the train once more stopped. 'What's up now, guv?' the passenger again asked. 'It is another cow,' 'No, sir, no,' was the prompt reply. 'Come over, sir,'
