### THE NEW LAW.

Relating to Hops, Orchards—The Law Should be Observed.

Those who are interested in fruit, hops, flowers, etc., should read carefully the following law (H. B. 238, by Morton), passed at the last session of the legislature:

"An act to protect the fruit and hop industry of the state of Oregon—be it enacted by the legislative assembly of the State of Oregon.

"Sec. 1. That it shall hereafter be unlawful for any person, firm or corporation owning or operating any nursery, fruit orchard of any kind, hop yards, flower gardens or ornamental trees, to throw cuttings or prunings from any fruit trees, nursery stock, ornamental trees or hop vines into any public road, highway, lane, field or other enclosure, or into any water course of any kind; but shall destroy such cuttings or prunings with fire within 30 days from the time such cuttings or prunings are made.

"Sec. 2. It shall hereafter be the duty of any person, firm or corporation owning or operating any such nursery, fruit orchard, hop yards, flower garden or ornamental trees, and knowing such to be infected with any kind of insects, pests or disease, to immediately spray or destroy the same in such manner as the fruit commissioner of the district may direct.

"Sec. 3. It shall be unlawful for any person, firm or corporation doing business in the State of Oregon to sell Paris green, arsenic London purple, sulphur, or any spray material or compound for spraying purposes, in quantities exceeding one pound without providing with each package sold a certificate duly signed by the seller thereof, guaranteeing the quality and per cent of purity of said materials.

"Sec. 4. Any person, firm or corporation selling any of the above materials which do not conform with the certificate furnished therewith shall be deemed guilty of a misdemeanor and, upon conviction thereof, shall be subject to a fine of not less than \$25, nor more than \$100.

"Sec. 5. It shall be unlawful for any person, firm or corporation to import any infested or diseased fruit of any kind into the State of Oregon.

"Sec. 6. Every person who packs or prepares for shipment to any point without the state, or who delivers or causes to be delivered to any express agent or railroad agent, or other person, or to any transportation company or corporation for shipment without the state, any fruit or fruits, either fresh, cured or dried, that is infested with insects, pests or diseases injurious to trees, shrubs, plants, fruits or vegetables, is guilty of a misdemeanor.

"Sec. 7. Any person, firm or corporation violating any provisions of this act shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than \$25 nor more than \$100.

Sec. 8. It shall be the duty of the commissioner of the state board of horticulture of the district in which a violation of this act occurs

to present the evidence of the case to the district attorney, whose duty it shall be to prosecute any person guilty of a violation of this act, which prosecution shall be brought in any of the justice courts of this state.

"Sec. 9. Inasmuch as the horticultural interests of the state demand immediate attention this act shall be in full force and effect from and after its approval by the governor."

### COUNCIL MEETING.

Bills Presented—Judges and Clerks Appointed.

Tuesday evening March 14, 1899, the Cottage Grove council in chambers assembled transacted the following business:

Council called to order at 7:30 p. m. with Mayor Bristow in the chair. Councilmen Piper, Hemenway, Snapp, Gowdy and Knox present.

Minutes of the previous meeting read, and after some changes in that part referring to the digging of the "Doke ditch," in which it did appear that the responsibility of digging the ditch rested upon Mr. Harms, thus relieving Mr. Harms from the responsibility, the minutes were adopted:

#### BILLS ALLOWED.

The following bills were then read and allowed:

Hemenway & Burkholder cedar poles.....	\$ 1 50
John Durham, work on crossing and hauling lumber.....	1 25
S. R. Piper, mdse.....	7 34
Water Co 2 months.....	10 00
T. M. Doke, work on ditch.....	1 00
Griffin & Veatch, nails.....	25
A. Nelson, lights 1 month.....	31 00
A. Nelson 5 street lamps, fixtures and wire.....	16 50
A. Nelson, 5 renewals.....	3 75
Total.....	\$72 59

One bill, that of Mrs. T. M. Doke for \$2 for washing for Mrs. Sanford while the family of Mrs. Sanford was ill, was rejected by the council upon the ground that the council did not authorize the work to be done. It was claimed, however, that the marshal authorized the work to be done and that therefore the council was responsible for the payment. The council overruled this and refused to audit the bill, although every member agreed that Mrs. Doke should have her pay, but not from the public funds as that act would establish a precedent, whereby other claims of a like nature could be presented. The result was that Mayor Bristow volunteered to pay \$1 out of his own private funds, providing that the balance be subscribed by other members. Councilman Snapp, who had supported Mrs. Doke's claim, kindly volunteered to pay the other dollar.

Treasurer Veatch then made his report, which was referred to the finance committee. The matter of selecting polling places and judges and clerks of elections then came up for consideration.

Upon motion it was decided that judges and clerks of election be not allowed to exceed \$1.00 per day for services.

The following polling places, judges and clerks were then decided upon.

Ward No. 1—Thos. Allen work shop, J. W. Currin, judge; J. C. Wallace, J. K. Barrett, clerks.

Ward No. 2—Council Hall, Joe Garroute, judge; James Ozment, Dave Markley, clerks.

Ward No. 3—Hemenway store, Geo. Hawley, judge; L. Morse, Robt. Griffin, clerks.

The advisability of calling a citizens meeting was then discussed and after some deliberation it was decided that a meeting with the view of selecting a ticket to be balloted on at the coming election be called on the evening of March 25, 1899 at 7:30 at the Masonic hall.

There being no further business before the council, upon motion, adjourned.

GRIFFIN & VEATCH,

COTTAGE GROVE, ORE. C. H. Vandenburg, M'gr.

I have been afflicted with rheumatism for fourteen years and nothing seemed to give any relief. I was able to be around all the time, but constantly suffering. I had tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did, and was immediately relieved and in a short time cured. I am happy to say that it has not since returned.—JOS. EDWAN, Germantown, Cal. For sale by J. A. BENSON, Cottage Grove. JON LYONS, Drain Druggist.

I take particular pains to keep the best and freshest rolled oats, Grandma's moath, Germea, morning meal, fresh corn meal and buckwheat flour. F. B. Phillips.

Cranberries, Oranges, Lemons, Sweet Potatoes and Bulk Pickles at Cummings & Harton.

Business is beginning to pick up. The Nugget man was enabled to buy 15 cents worth of sow-belly last week. By using this on the string system, suspended from the ceiling, and by practicing close economy thereby not swallowing this identical piece of meat only once a day he will be able to exist until July.
