## BOHEMIA NOTES.

Devoted to Mines and Miners---A Nugget Correspondent's Batch of News.

BOHEMIA, May 21, 1899.

Mr. Jas. Duval returned to camp today.

Two gentlemen from Siuslaw came in this week to work in the Cook mine.

W. H. Shane is over on his claims on Montana ridge doing development work.

Chas. Bruneau of the Helena Mining Company came in this week to resume work on the Helena.

The snow is fast disappearing and soon the musical shitepoke can pipe his tuneful lay in the meadow down by the slough.

Albert Leroy came in this week to get samples of ore from the Laura group of mines owned by Leroy Bros. on Champion creek.

Byrne Bros. & Johnson Company are doing some development work on outside claims belonging to the Grizzly group.

Chas. Clay is snugly domiciled down on Downings Point working on some mining property owned by himself and Frank Jordon of Cottage Grove.

The Music mill and mine will start up about the first of June. There is in this mine a large amount of very fine ore, and the chutes are all full and we predict a fine showing for that enterprising company.

The Noonday is blocking out a large body of fine free milling ore and are preparing to start the big 20 stamp mill just as soon as the snow goes off sufficient to make a few needed repairs to their tramway.

Mr. Elsie Holderman of the Montana mining company is spending a few days with his family in the Grove.

The White Swan Mining Company is another incorporated company to do business in our Bohemia this summer.

White Bros. & Lesser are driving their tunnel on some very fine ore at Glenwood. This is a fine mine but little spoken of, and still there is in this mine \$50,000 of good ore in sight.

We notice in the Oregonian of the 10th Mr. Baddens' report of Oregon mineral production for '98. Now while we do not wish to criticize Mr. Badden or the Oregonian we do wish to say they have been very poorly informed about certain localities. They give for Lane county a little over \$6000 for the year. Now we admit Bohemia is in Douglas, but as there is no report from Douglas they must take the product of Bohemia for Lane's output and if so they err a long way from the truth for either of the mills that were in operation here last year turned out four times that amount, and they say that other mining communities is Cornucopia where there is a large amount of high grade ore, which is hauled 68 miles to Baker and shipped to the smelter from there. Now why should they ship ore from Cornucopia when they have several large mills in that camp of the latest pattern? Senger & Eagle creek mines did not turn out any bullion in '98, for both have been shut down for 2 years.

If Portland would awake to her interest and look over this country they will see more good mines in this one locality alone than in all Eastern Oregon combined. We are not trying to run down Eastern Oregon in any way but we speak from experience, having lived in the mines of that locality for 7 years; and we would like to see Bohemia fairly represented.

Ross.

### WEDDING CHIMES.

A very pretty wedding was solemnized at the home of M. F. Rapp in this city, Wednesday evening, May 17, 1899, the contracting parties being Mr. E. P. Long and Miss Myrtle M. Gillette, Rev Geo. R. Arnold, tying the silken knot. The parlor was richly decorated for the occasion and the wedding ceremony though brief, was beautiful and impressive.

The wedding was a quiet one, only a few relatives and intimate friends of the contracting parties being present. After the ceremony was performed and congratulations were extended the bridal party was led to the dining hall where a luxurious wedding supper awaited them.

The groom is a well known young man having for some time past been in the employ of the Southern Pacific Company. He is a son of J. C. Long, the Cottage Grove merchant and miller, and is a very intelligent and industrious young man, possessing many noble qualities and a gentleman, first, last and all the time. The bride is a charming and accomplished young lady of this city, but formerly of

Pendleton, where her parents still reside. She ss a sister of our present county assessor, Benjamin Gillette, and has a host of admiring friends in this city. The Plaindealer, joins with many friends in extending congratulations and best wishes to the happy couple, and trusts they may ever enjoy a pleasant home, blessed with prosperity and long and useful lives. This office acknowledges the receipt of a bountiful supply of splendid wedding cake.—Roseburg Plaindealer.

### Whooping Cough.

I had a little boy who was nearly dead from an attack of whooping cough. My neighbors recommended Chamberlain's Cough Remedy. I did not think that any medicine would help him, but after giving him a few doses of that remedy I noticed an improvement, and one bottle cured him entirely. It is the best cough medicine I ever had in the house.—J. L. MOORE, South Burgettstown, Pa. For sale by BENRON DRUG Co, Cottage Grove, JOE LYONS, Drain, Druggists.
