Lane County Mortgages.

WILL INTEREST POPULISTS—HOW WE'RE GOING TO THE DOGS (?) UNDER REPUBLICANISM.

Through the kindness of Wm. K. Scarbrough, of the Eugene Abstract Company, Bohemia Nugget is enabled to give the number of mortgages recorded and the number released in this county during the past five months. It will be gratifying to populists to read the following as, of course, they are interested in the welfare of the people; and while it may grind a little to know that more mortgages have been released since last January than have been recorded, still they cannot help rejoicing even if the people are paying off their indebtedness under a gold standard republican administration. Read the following.
