

**COL. INGERSOLL SNUBBED.**

A Boston dispatch under date of June 3 says:

The Benevolent Fraternity of Churches (Unitarian), having refused to allow the Free Religious Association to hold its annual meeting in Parker Memorial Hall because Colonel Ingersoll was to be one of the speakers, the meeting was held yesterday and today in the Hollis Street Theater.

Ingersoll gave out the following interview concerning the controversy over the Parker Memorial Hall:

"I have the greatest admiration for Theodore Parker. He was a great and a useful man. He lifted Unitarianism into intellectual respectability. He refused to bow to Jehovah. He read the Bible, not only with open eyes, but with open mind. He dared to stand by reason. He was a pioneer. He carried a torch. He not only welcomed the dawn, but he was one of its creators. I am sorry those in control of the Parker Memorial Hall have more respect for the hall than for the memory of Parker; that they, for the moment remembered their own prejudices, and forgot the free, noble spirit of Parker. I do not blame them, but am sorry for Parker's sake."

The Salem Statesman has a very clever writer who contributes under the head of "notes of a bystander." In sizing up the Branton confession he says, "It was evidently carefully 'edited' by the Eugene minister who made a fool of himself (or rather showed himself to be a fool) in connection with the case. Of Branton he says: "His taking off made a good riddance of bad rubbish."

W. J. Bryan is hedging a little on the silver question. In a recent speech he says: "I have no doubt that other issues will be added to the platform. Whatever may first in the public mind will be the dominant issue." Well yes. But it won't be silver at a ratio of 16 to 1, at least it won't be so dominant that it will result in Mr. Bryan sitting in the presidential chair.

A correspondent of the Pacific Rural Press notes the fact that when an orchard is planted where oak trees have stood the fruit trees do not thrive. The same thing has frequently occurred in Oregon and it has been found there to be due to a toad-stool fungus which is apt to be found where oak trees grow and which attacks the roots of the fruit trees.—Oregon Agriculturist.

Portland's new paper The Northwest Herald edited by Geo. L. Hutchin, a well known newspaper man, has reached the Bohemia Nugget table. It is an eight page seven column paper, printed on a good quality of book stock chock full of well written articles and exquisite illustrations advantageous to Oregon. Every detail editorially and mechanically has been carefully looked to. Success to The Northwest Herald.

Bad management keeps more people in poor circumstances than any other one cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other is out a hundred and then wonders why his neighbor is getting richer while he is getting poorer. For sale by BENSON DRUG CO., Cottage Grove, Joe Lyons, Drain Drug ist.

**Dr. Price's Cream Baking Powder** Awarded Gold Medal Midwinter Fair, San Francisco.

Whether the government is right or wrong, it should be sustained by every citizen of this realm. Patriotism demands it. No good citizen should sulk in his tent. Deweys, Funstons, and not Achilles, are wanted at this hour. If the government has erred, the mistake should be rectified in due course, and those who made the blunder if blunder is chargeable, should be disciplined according to their merit. Every sympathy should be given to thoes upon our sided of the firing line. The men behind the guns should have moral support and no encouragement should be given to thoes that would destroy them. Victory first, "benevolent assimilation" and corrective measures in the eventide of war should be the slogan.—Northwest Herald Portland.
