NOW OUR NEW{ SPECIAL.}

SHOES!

June 28, 1899.

Supt. J. W. Cook arrived in camp last week and started the new work which has been delayed by the present improved policy and conveniently arranged. A full force of men are now employed and the stamps are constantly dropping on a high grade of ore.

Supt. J. D. Fletcher, with the Montana Gold Mining Co., arrived in camp last Saturday.

Supervisor Burnett has force of men at work on the country road west of Chas Lockwood. This will be used to travel as far as the summit of the mountain above the Nutrick mine. With the exception of a few small slides and washouts the road was found to be in good condition.

The Fairview Mining and Milling Co., one day last week found some wonderful rich ore in a new ledge on their property. The county road from the town to the camp is the only road that can be used, and it is situated that a tunnel can be started into the mountain right at their ore as it is only a few hundred feet away. The Commissary at Fairview, on August 15th, and the Camp Exchange on August 16th of this year. The.N. in the N. W. 1/2, Sec. 17, T. 3, R. 6, E. 3.

He issues the following witnesses to prove the existence of gold and silver: Mrs. Schuyler, Mary Measely, Mrs. Alon Shortlefs, of Cottage Green, Oregon. J. W. Chapman, Register.

LATHAM LINES.

The rain did much good to the crops all alike and the farmers are hoping for a good crop and mumps still in the neighborhood.

Some seeds will bear plenty of apples but other fruit will be scarce. Irr Hall and wife sold their head near Eleven and moved to Crawfordsville where they are engaged in grist mill and cheese factory. 

Mr. Chapman has moved away from Latham.

Frank and Luke Hall started Tuesday for Crawfordsville where they will remain till the 6th of this month. This is a lucky find for the company and it is hoped large body of ore may be found as rich as the surface prospect. This gets the Fairview Mine has an encouraging prospect.

Caplin's, miners and prospectors are arriving daily, and while the season will be a short one, still it is sure to be the most busy in the history of the Fairview Mining Co.

W. P. Ely, with a force of men, is doing some good work on his Mayflower group.

The Nome wagon road will be put in shape for travel right away after the Fourth, and then the Nome and Helena mines will begin active work for the season.

The handsome "Bob" Martin is now camping at the Granite city group, doing assessment work on his claims near there, and another group is now running a large quantity of ore from their Vesselin claim. The Fairview Mining Company will do the milling for them.
