

Sparing Contest.

It has been a long time since Cottage Grove people have had an opportunity to witness a sparing contest, but the opportunity is now at hand. Billy Hunter of Pittsburg, Pa., has agreed to fight a 10-round bout with Warren McFarland, who has won quite a reputation among those who profess to know a thing or two about the "mitts." They have agreed upon a 10-round mill, to take place at Martin's hall on the afternoon of July 4. Both men are enthusiastic and are hard at work running off their surplus fat. It is said that Hunter by almost constant work will get down to fighting weight, but some are in doubt about Warren. However, by being industrious at the bag and in jogging over Oregon landscapes, he may get down to something less than 200 pounds.

The M C C For Entertainment.

The proprietors of the M C C Bakery of this city are going to do their share to help along the celebration. They have made arrangements to erect a fine floor and conduct a ball at the celebration grounds. An orchestra of six pieces has been procured, to entertain the public from 3 o'clock until 12 o'clock at night. Another feature will be the merry-go-round which never fails to please the public. The M C C Bakery will also have an abundance of pies, cakes, bread, hot coffee, confectionery, ice cream of every flavor, and in fact everything to please the taste, at reasonable prices. Remember on the celebration grounds, you can dance, eat and enjoy yourself.

No Special School Tax.

Last Saturday afternoon at 2 o'clock was the appointed time for the voters of Cottage Grove precinct to voice their opinion as to the advisability of levying a sufficient tax together with school tax to run an 8 months school. Upon the meeting being called to order, considerable discussion was current as to the amount that should be proposed, resulting in a motion being made and seconded that an 8 mill tax be levied. The motion was put to the house and resulted in 19 votes for and 58 against the proposed levy.

Nearly all the furniture and provisions, also a gold watch burned with it. It is understood that Mr. Davis will commence the erection of a new residence in the near future.

In Bohemia Camp --- Considerable Excitement --- Mining Property Sells.

News has reached this city that Reed and Fletcher of Montana have made a big find, striking ore that runs as high as \$25,000 to the ton. The ore is honey-comb and full of glittering gold which can be seen with the naked eye.

The Helena mine owned by Jennings Bros and and Brunson which has caused no end of favorable comment among miners the past few months, is climbing higher in the estimation of owners and miners alike, and promises great things.

James Sears, whose mining property, lays close to the famous Helena, has struck free milling ore which promises to equal that of the Helena.

Miners are all excitement and this Fourth of July will be a happy one for them, as the time now seems to be at hand when they will realize their fondest dreams.

Capitalists are looking this way now in a decidedly interested manner and each mail brings letters of inquiry, with reference to certain mines and the purchase thereof.

One of the most important mining deals in the history of the Bohemia camps was consummated in Portland last week, Tuesday. The famous music group was purchased by New York capitalists at a cost of \$85,000. A keen-witted fellow, despite his general ignorance, was brought down to the court house in Cleveland to receive the rights of citizenship.

"Name the capital of the nation," said the judge. The applicant scratched his head. "I can't just place it, judge," he said; "but you'll name over a few of the towns and I'll tell you when you strike it."

"Is it Chicago?" queried the judge.

"No."

"It is St. Louis?"

"No."

"Is it Indiana?"

"No."

"Is it Arizona?"

"Is it Washington?" The candidate looked puzzled. He hesitated.

"Say, judge," he slowly replied, "if that ain't th' place it's a dum close shot!"

I was seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough remedy, by a friend, who, knowing me to be a poor widow, gave it to me, I tried it, and with the most gratifying results. The first bottle relieved me very much and the second bottle absolutely cured me. I have not had as good health for twenty years. Respectfully, MRS. MARY A. BEARD, Claremore, Ark.
