### THE YAQUI WAR.

Chicago, Aug. 8.—A special to the Recorder from Guaymas, Mexico says:

General Torres has almost completely surrounded Dicam, a Yaqui stronghold, where nearly 2000 savages are massed. On the arrival of the artillery and the machine guns, the Mexican general will close in on the Indians and precipitate the biggest battle ever fought between the government and the Yaquis.

The reports from General Torres regarding the killing of Remley and Miller say their bodies were found hanging from a tree with their hands and feet cut off. The uprising reaches down the Yaqui river to the Sahuaripa district.

The government now has nearly 5000 men in the field. Two hundred volunteers will leave Guaymas for Medano tonight on the steamer Jalisco. A fight is expected on

entering the Yaqui river with a large band of savages that last week attacked and burned three sloops.
