DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to sure desiness, and that is by constitutional remedies. Denfuess is caused by an infamed condition of the mucous lining of the Eustachian Tube. When this tube gets infamed you have a rumbling sound or imperfect hearing, and when it is entirely closed desiness is the result, and unless the infammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; infactases out of ten are caused by catarrh, which is nothing but an infamed condition of the mucous surfaces.

The Man Who Lost Hope

Mr. H. N. Warner, of Minden, Neb., said:

"In 1894 I was attacked with paralysis in my left side. You might stick a pin to the head into my left hip and I would not feel it. I was unable to do any kind of work and had to be turned in bed. I made up my mind that I could not be cured as I had used all kinds of medicine and had tried many dectors. I was advised to try Dr. Williams Pink Pills for Pale People, and commenced their use last September. Before I had finished my first box I felt better, and by time I had used six boxes the disease had entirely disappeared, and I have not been so free from pain since I was a boy. The paralysis also disappeared; and although two months have passed since I finished my last box, there has been no recurrence of the disease." From the Gazette, Minden, Neb.

Most people eat more than is good for them. The stomach tries to digest all that's put into it, but if repeatedly overloaded, it goes on a strike. That's indigestion. Rich, over-sweet, indigestible food weakens the stomach and makes it unable to take care of the material put into it. More food taken into a weakened stomach than the stomach can digest, stays there, forms gases and rots, bringing on all the horrors of dyspepsia. The only way to cure dyspepsia is to clean out the digestive canal with CASCARETS. Keep it clean with Cascarets, eat light food sparingly, and give the stomach a chance to rest up and get strong again.

Be sure you get the genuine CASCARE
