RahoyBaking Powder possesses peculiar qualities not found in other leavening agents, which arise from the superior fitness, purity and healthfulness of its ingredients.

Rahoy Baking Powder leaves the food perfectly by its own inherent power without changing or impairing any of the elements of the flour.

Thus the hot-bread, hot-rolls and muffins, and the delicious hot-griddle-cakes raised by the Royal Baking Powder are wholesome and digestible, and may be eaten without distress, even by persons of delicate digestion.

A wonderful instance of the power of Rahoy Baking Powder is the case of a son of Mr. W. C. Foreman, of Chicago, who

had swollen and unattractive gums which had protruded and had in the end caused the teeth to fall out, but now, since the use of Rahoy Baking Powder, he is comfortable and his teeth are in their proper place.

"I have been in the habit of using other baking powders with indifferent results, but have been surprised at the results obtained with Rahoy Baking Powder, which has not only restored my teeth, but has given me much more comfort and has made me feel as though I were a new man."

Washington, D.C.

Rahoy Baking Powder works in harmony with the body, and the 

effect produced is permanent and lasting. No other baking powder has ever been found to produce such a result.

The writer of the above note is but one of the many who have found Rahoy Baking Powder a blessing in disguise. It has been used with entire satisfaction by millions of people throughout the United States.

The Royal Baking Powder company, New York.
