

RESOLUTIONS.

At a regular communication of Clinton Lodge No. 251 A. F. and A. M. held in the Masonic home on Main street in that city on the evening of Sept. 30th in the annuals of our order 5899. After a brief reflection on the solemn thought of death and after listening to a few encomiums upon the rectitude of life and character of our deceased Bro. August Johnson, the following preamble and resolutions were unanimously adopted.

Whereas, It has pleased the supreme Architect of the Universe by death our worthy brother, who departed this life at Cottage Grove, Oregon on Aug. 27th last and whose remains were tenderly laid to rest in Masonic cemetery of that city by our true and brotherly fraternity, therefore be it

Resolved, That by the death of Bro. Johnson society loses a generous, warm hearted and honest man, his neighbors a veritable example of a sacrificing patient and hopeful citizen, and this lodge as well as the order in general a pure, zealous and abiding Mason.

Resolved, That Cottage Grove Lodge No. 51 be and it hereby is tendered our heartfelt thanks, for the constant care of this our sojourning brother during his sickness, death and burial. Resolved, That in token of the loss our lodge has sustained by the death of Bro. Johnson the lodge room be draped with the usual ensign of mourning for the space of thirty days. Resolved that the foregoing preamble and resolution be spread upon the records of Clinton Lodge and that a copy thereof be transmitted to Cottage Grove Lodge No. 51 of Oregon and also one furnished to the Clinton Times and Weeklo Calumet of this city and to the papers at Cottage Grove.

In June of next year the people of the United States will be counted for the twelfth time since the establishment of our government. It will require about fifty thousand enumerators to take the census and their work must be finished in one month's time, or by the first week in July 1900. That means that about seventy-five million people must be recorded in thirty days, or at the rate of two and a half million a day. The rate will be even greater than this however, for in towns and cities of eight thousand inhabitants the enumeration must be completed within two weeks. The enumerators will not be permitted to have any assistance in the work. It must be done by them in person, except in such sections of the country as contain a great many foreigners, where the employment of interpreters will be allowed, as otherwise it would be next to impossible to secure the proper data. The enumerators will be paid for the services in accordance with the amount of work they are called upon to do.—Junction Times.

On account of the difference in the legal weight of a bushel of oats Oregon gets a black eye in reports of the average yield per acre. In this state 36 pounds are required to make a bushel, while in other states generally the standard is 32 pounds. The standard ought to be changed in Oregon to conform to that used by other states as the existing standard is confusing and somewhat disadvantageous to producers.—Guard.

CHAMBERLAIN'S PAIN BALM
RESIST OTHERS, WHY NOT YOU?

My wife has been using Chamberlain's Pain Balm, with good results, for lame shoulder that has pained her continuously for nine years. We have tried medicines and doctors without any benefit from any of them. When we saw an advertisement of this medicine and thought of what we had with the best of results. She has used only one bottle and her shoulder is almost well.—
