NEW YORK--May 29.-The week ended without a word of news such as the formal publication of the Chicago Post. A large in the army by the time hostilities were declared, the German government now has all the forces necessary to launch a successful offensive in the north. The German army has been reinforced by additional divisions from the south and east, and with its new of concentration, it is estimated that the German forces will be able to make a decisive dash at any moment. The war is expected to end in a few weeks, and the will be the signal for a vast movement of troops.

The announcement of the German victory, which will be officially proclaimed on the morning of May 30th, will give rise to a great excitement throughout the country. The government will issue an order for the mobilization of all the troops, and the streets will be crowded with soldiers and civilians. The great majority of the people are in favor of the war, and there is a general feeling of national pride and determination.

The German armies are now in full control of the entire country. The capital, Berlin, has been occupied, and the government has moved to a new capital. The German empire has been declared.

The war will continue until the German armies have occupied the entire country and have subdued the people. The government will issue an order for the mobilization of all the troops, and the streets will be crowded with soldiers and civilians. The great majority of the people are in favor of the war, and there is a general feeling of national pride and determination.
