BOY BOWELS.

A horrible, slimy monster that makes man's life a misery.

After eating: a bloated belly, belching of gas from the stomach, a foul, ill-smelling scurf on the tongue, dizziness, headache, a sour rising and spitting up of half-digested food.

But there's a Bowel Bloat.

When the bowels stop working, they become putrid, rotted matter, forming poisonous gases that go through the whole body. If you don't have a regular, natural movement of the bowels at least once a day, your health is endangered, along with the nasty, disgusting symptoms that go with it.

There's only one way to set it right.

Clean yourself out gently and thoroughly and tone up your bowels with CASCARETS. Every form of bowel trouble is quietly and permanently cured by CASCARETS.

BOY BOWELS.

GIANT'S CASTLE PILLS.

These are the very substance that endures, the very cause which makes the bowels strong and healthy.

GIANT'S CASTLE PILLS is the only genuine bowel medicine ever made in the United States.
