

A Big Time.—The L. O. F. Lodge of this city had a big blow out last Saturday night. They had 6 new members to initiate into the mysteries of Odd Fellowship, and in order to do the thing just as it should be done they invited Eugene and various other lodges to send up a delegation, the Eugene team having charge of the work. Saturday afternoon's train brought some 30 members from Eugene besides quite a number from other places. It was indeed a red letter day for those "queer fellows" some times called "odd" and when Sunday morning came the home lodge was strengthened by six new members, although it is privately whispered that a subscription will have to be taken up to purchase a younger goat. The old fellow was pretty well worn out when he got through the night's work. It is said by members of the home lodge that the floor work of the Eugene team was the best ever witnessed in this lodge. Following is a list of visitors: Eugene—Messrs. Dougherty, Frazier, Dorris, Walton, Wilkins, Green, Horn, C. S. Hunt, Simpson, Yates, Frank, Doyle, McLang, Lee, I. H. Chilson, Eugene, Lakin, D. R. Lakin, J. W. Poil, Smith, Henderson, Sanders, Goshong, J. T. Starr, Williams, Bailey, John M. Williams, E. U. Lee, Harries, Kitchen, Littlefield, Rankin, Fisher, Jennings, Springfield—Messrs. Roberts, Walker, Stason, Collins, White, Lorane—Messrs. W. R. Doak, I. N. Doak, Addison, Hartley, Lee, Mohawk—Arthur Root, Goshen—A. J. Barry, Drain—H. Hekethier.

Shooting Match.—Last Saturday a shooting match under the management of Walt Baker was held at the Red and Gun Clubs grounds just east of town on the Landess farm, and quite a number of local sportsmen were present. Ten turkeys were offered as prizes for the best record on Bluebirds and much sport was derived. Green Pitcher with his big No. 10 seemed to have the best of it as he won four, before they barred him. Monday the Sa inaw boys gave a shoot, they having a trap, and behold Green Pitcher appeared on the field again, but only got two before they barred him. However he kept shooting off and winning his two until he had won seven dollars on the shoot and so he was pretty well satisfied. It is said that the Creswell boys will give a shoot next Saturday and the Cottage Grove boys will hold another one next Monday.

Family Reunion.—Perhaps one of the largest family reunions ever held in this section of Oregon was that of Mr. and Mrs. H. C. Veatch of this city last Christmas day. There were seven children, with the exception of one, with their wives and husbands, and children, in all twenty seven, were at home with "father and mother" to spend Christmas. The old home was truly one of happiness and a splendid dinner greeted the sons and daughters who had wandered away from the parental roof. At the dinner were seated just 30, including Mr. and Mrs. P. Chrisman and daughter of Creswell. After the dinner the family gathered at Boyd's photo gallery and a group picture was taken. Grandpa and Grandma Veatch are 72 and 68 years of age, respectively.

Registers.—The following registers of voters for this section of the county have been appointed by the clerk: East and West Cottage Grove—Wallace and Bohemia, J. W. Vaughn. East and West Cottage—James Hemenway. East and West Cottage Grove—J. E. Young. Bohemia—James Hemenaw, Wallace—James Hemenway and J. E. Young.

K. O. T. M.—The following is a list of the newly elected officers of the K. O. T. M. of this city for the ensuing year: Ralph Whipple, Com; W. W. Masterson, L. C.; Joseph Young, R. K.; Ernest Provance, F. K.; John Nokes, C.; John Sherwood, S.; H. Wagner, M. A.; Mathew Sehr, 1st M. G.; Joe Rhodes, 2nd M. G.; Wm Hart, Sen; Joseph Garoutte, P.

Installation.—The Masonic Lodge of this city held an installation of officers at the temple last Wednesday night, the members of Masonic families being present. The affair was a splendid success, and highly appreciated by those fortunate enough to attend.

New Hose.—The city council last week ordered 800 feet of new hose for the city fire department at a cost of 39 cents per foot. It is a good investment and it will be appreciated by the citizens.

A MERRY CHRISTMAS.

The Day Properly Observed in Cottage Grove.

Christmas was a beautiful day and it was surely appropriately observed. The town was remarkably quiet notwithstanding that many people were in town. Three Christmas tree entertainments were given Monday evening—one at the Presbyterian Church, one at the Christian Church and the M. E. at Martin's Hall. A beautiful tree was tastefully arranged at the Presbyterian, and bountifully supplied with gifts for old and young. A good program consisting of singing and recitations by the little ones was rendered. A huge chimney was also visible on one side of the stage and at the appropriate time Old Santa Claus made his appearance, impersonated by Mr. Winters Wallace, who very cleverly did a pantomime act, the text of which was cleverly read by Professor Day. The committee on arrangements were L. F. Wooley, F. J. Reid, Prof. Day, Mrs. Downing, Misses Elsie Lee, Mabel Wynn and Nina Ostrander, and much credit is due them.

AT THE CHRISTIAN CHURCH.
A fine tree and entertainment was given. A large subscription had been secured and the tree was abundantly loaded with good things and presents for all and the little ones were nicely remembered. The management did not have a Santa Claus, but the program and delivery of gifts were nicely carried out. Rev. Billington made a splendid talk to the young people and the affair was a most pleasing one.

THE M. E. CHURCH.
Was too small for Christmas exercises and Martin's Hall was secured for the occasion. Two trees were beautifully arranged and many attractive features were presented, one in particular attracting much attention of the little folks and provoking no end of mirth for the older ones, Santa Clause by 'phone—all the way from Portland. He was called up at the several stations, and made to answer all sorts of puzzling questions. The little tots stood it alright till he got to Saginaw and then the suspense was almost unbearable. Finally he arrived and then the good time was on. Several attractive numbers on the program were highly spoken of, especially the song "Ring the Christmas Bells" which was rendered by the M. E. choir in a most pleasing manner a system of bells were arranged and some one well skilled in the "gingling and the tinkling of the bells," sounded the chimes in a truly pleasing manner. Miss Mott of Saginaw formerly a student of the Willamette university gave a very pretty reading, in a manner that at once convinced her hearers that she is "well up" in the line of elocution. The hall was crowded and many could not get in at the door. One hundred and eighty-four children of the M. E. Sunday school were each presented with a sack of candy and nuts as well as a present. Good-bye Old Santa till next year.

Mrs. I. E. Bailey national lecturer and organizer of the W. C. T. U. will hold a series of lectures in Cottage Grove, Jan. 7. No one should fail to hear her as she comes highly recommended; her work is not a transient stimulus, but a painstaking, thorough process of building up, tilling the whole field. A free will offering will be taken at each meeting. The place will be announced later.

A SURE CURE FOR
Twenty-five Years' Constant Use without a Failure.
The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by Benson Drug Co., Cottage Grove, Lyons & Applegate, Drain, Druggists.
