It has been demonstrated repeatedly in every state in the Union and in many foreign countries that Chamberlain's Cough Remedy is a certain preventive and cure for croup. It has become the universal remedy for that disease. M. V. Fisher of Liberty, W. Va., only reports what has been said around the globe when he writes: "I have used Chamberlain's Cough Remedy in my family for several years and always with perfect success. We believe that it is not only the best cough remedy, but that it is a sure cure for croup. It has saved the lives of our children a number of times." This remedy is for sale by Benson Drug Co., Cottage Grove, Druggists. LYONS & APPLGATE, Drain, Druggists.

What the Press of this State says of Bohemia Nugget's Special Mining Edition.

The Special Mining Edition of the Nugget has reached our table this week and we congratulate Bro. Howard upon its fine appearance. It is a neat and creditable effort at advertising the wonderful resources of Bohemia. There are five cuts of Bohemia views, three of the Musick one of the Stock & Harlow mill and one of the Helena mill besides four or five half tones of early pioneer miners, all well executed on fine enameled book stock. The write-ups of the various properties are short and concise and the entire work of sixteen pages is neatly printed. The work would be a credit to any newspaper in the valley.—Cottage Grove Leader.

C. J. Howard, editor of the Bohemia Nugget, of Cottage Grove, has issued as a New Year's number, a special mining edition, devoted to present prospects and possibilities of the Bohemia mining district. For specific and detailed information regarding the camp, this edition is of the utmost value, and is the only edition of its kind ever issued by a Lane county paper, with fine photo-engravings, a specially-engraved cover page, consists of 18 pages, and is a flattering compliment to the indomitable energy, enterprise and forensic intelligence of C. J. Howard.—Eugene Journal.

The special mining edition of the Bohemia Nugget is the first and only paper that has properly placed the Australian wealth of the gold mining district of Bohemia before the public. It possesses much information heretofore unknown and with handsome and many illustrations will attract the attention of capital from parts where Bohemia is yet unknown. Inasmuch as these special editions are usually gotten up at a loss to the publisher friend Howard deserves much praise for his enthusiasm and enterprise.—Junction City Times.

C. J. Howard, the editor of the Cottage Grove Bohemia Nugget, has branched out on a New Year's mining edition devoted to the present prospects, and future possibilities of the Bohemia mines, and it is the only mining edition ever issued in Lane county. It gives some fine photo-engravings and consists of eighteen pages and Mr. Howard is to be congratulated on such a publication as it is so small a job to get out such an issue of mining information. It gives life to the Lane county mining future that we all appreciate.—Junction Bulletin.

One of the most creditable "special editions" which has come to our table, is the mining edition of the Bohemia Nugget. It contains a very exhaustive history of the discovery and development of the great Bohemia mining district of North Douglas and South Lane. The publishers of the Nugget have reason to be proud of their mining edition.—Roseburg Plaindealer.

The special mining edition of the Bohemia Nugget reflects great credit upon its publisher. From an artist's point of view it shows that the Bohemia publications have advanced to the front rank of the mining press.
