MINING NOTES.

It is announced that an exceedingly rich ore has been struck in the well known Sunday mine.

Extensive one and two day runs and have been made in quite a few places. The work will be continued all winter.

Another incorporation of Bohemia mining property has been effected which bids fair to become prominent among the great properties of the camp. The Nemo and Falling Star claims owned by Gill Medow, have been incorporated in the sum of \$100,000 shares placed at \$1 each, with Medow, B. R. Job and T. E. Wilson as incorporators. One of the incorporators informed your correspondent this week that the principle object of the incorporators is to sell a sufficient amount of stock only to enable the company to thoroughly develop the property, to determine first of all, whether or not the property is all that its present prospect work indicates, and as the prospecting has thus far given satisfactory results, being ranked among the best in the district, little uneasiness is felt as to a successful outcome.
