

FAMILY REUNION.
 Mr. Joseph Powell and wife were made happy, Friday June 1st, by a family reunion meeting at their home to celebrate Mr. Powell's 70th birthday. His four daughters, Mrs. Steve Overholser, Mrs. John Overholser, Mrs. Levi Geer and Mrs. Ernest McReynolds and their families were present, also his five sons, Messrs. Charles, George, Robert, Edwin and James Powell. Seven grandchildren were there wishing grandfather many happy returns of the day. In the morning a small grand daughter decorated the old arm chair with June roses and Mr. Powell was seated in this bower of beauty. Dinner was served at 1 o'clock, a large dish of luscious strawberries occupying a conspicuous place on the table. In the evening the reunion broke up, some of the children going to their homes, but with their hearts full of love for the dear ones in the old home nest, and each one present will place this happy day among the treasures in memory's basket.

CONDUCTORS' EXCURSION.
 The conductors' excursion last Sunday was well patronized from this city, there being some 200 tickets sold besides a great many coming from here who paid their fare aboard the cars. It is said that the coaches were terribly crowded, one passenger Chas. Farrell of Albany while in a state of intoxication attempted to pass from one coach to another by stepping from one step to the other. In doing so he lost his footing and was thrown to the ground and instantly killed. Several others were hurt and many narrowly escaped injury. While no blame can be laid to the company, still it would seem there should be a limit to the number of passengers allowed upon a car and that limit should be placed within the seating capacity of the car.

FAST WORK.
 Geo. Lea is rushing work in the matter of grading Fourth street. He expects to complete the job by the 15th inst. He is doing a good job and the improvement will be highly appreciated. TOWN IN.
 Officer Miller threw a man by the name of Reed in the cooler Wednesday for indecent talk upon the street. It was a good idea and the officers should take particular pains to see that some of the blasphemers are made to pay for the liberties they take.

PROFITABLE.
 The Ladies of the G. A. R. Circle did a profitable business at their stand on Main street the day of election. They cleared about \$4 which will be a great aid to the Circle.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm.
