There was talk of reconciliations, and next he ap-"Love in a Box Car" is the title of the peared in the garb of a practical railromantle drama in real life which is road man as straw boss of a section now occupying the attention of Kansas gang in the yards at Fort Scott.

Saub for Kansas Women. To the further astonishment of the 400 of Kansas City and Fort Scott, Mrs. the Hammond Barrett "Love in a Box Hammond accompanied her husband. They took apartments in a fashionable quarter, went to the theater and social ey Hammond, who married a Miss is the son of R. R. Hammond, general nonestly worked all day. Nobody wore superintendent of the Fort Scott and and at afternoon tess, receptions and card clubs the devotion of the Hammonds was the popular theme for weeks. Many women of the highest standing called upon Mrs. Hammond; the gums will not grow back again. but she, through embarrassment or eccentricity, acknowledged few of these to be under the wing of a social leader of the town, and in response to her kindly suggestions a haif-dozen young called one day on the bride at her hotel. quisite Paris tea gowns and reading that she was "too weary to see anyyoung women who called have had a tired feeling at the mention of young Mrs. Hammond.

While this was apparently merely a caprice, it created a sensation locally, and the recent announcement in one of the newspapers that the Hammonds had gone to live in a box car was gratifying in the extreme to those who felt snubbed.

The box car runs over the division beween Fort Scott and Memphis wherever there is any repairing to be done. The Hammonds' meals are furnished by the regular cook with the work rain, and are very plain. Hammond, however, seems cheerful and indusrious. His young wife holds her head FAN ATTACHMENT FOR CHAIRS. high, wears her imported gowns, reads the latest novels, and only to her intimates says from her heart: "We married for love, you know."

From section boss young Hammond has already risen to the management of has had only to wish for things, and if a train of thirty men. Promotion did money could buy them they were hers. The box car in which the Hammonds Hammonds still live in the car and are are living has seen hard service. A apparently contented.

HIS TEETH, THOUGH FALSE.

one Man Who Retains the Masticaters that Nature Gave Him.

Four or five traveling men around the totel stove had been miking about teeth, when one of them got up and, saying "good-mght,' 'weat off to bed. "Did you notice what fine teeth that party had?" said a man from St. Louis. "He won't acknowledge they are faise, or rather he insists that they are his own, and yet he doesn't quite tell the truth. My brother is a dentist in Kansas City, and this man lives there, and

my brother does his work for him. Not that he tells me anything, but merely as an incident, for everybody who knows the man knows the circumstances.

"His teeth are his own, and at the same time they are false. You don't functions of various sorts evenings, understand, so I'll explain. He always while the young husband, in working had unusually fine teeth, but about five lothes and broad-rimmed laborer's hat, years ago they showed signs of Riggs' disease, an infection which causes the such costly costumes as the wife of the gums to recede from the roots, leavingsection hand of the Kansas Cliy, Fort them exposed some distance down Scott and Memphis Railroad Company, from the enameled surface. In aggravated cases or where the person is very sensitive the disease is very painful. and it is almost impossible to relieve it. To cure it is practically impossible, for

"This man was of the sensitive kind, and although physicians and dentists attentions. Mrs. Hammond appeared tried their skill on him they could do nothing, and he suffered so that at last he told my brother to extract every tooth in his mouth and put false ones women of Fort Scott's upper crust in for him. As nothing else could be done, my brother followed instructions She was lounging in one of her ex- and pulled every tooth. They were all in perfect condition, and as my brother the latest novels. She sent down word looked them over, regretting that his patient was forced to give them up, a body." Since then the upper-crust novel idea occurred to him, which he at once told to the other man, who agreed to it willingly. This was that instead

of making artificial teeth, as was the usual custom, these same teeth be used exactly as if they were artificial.

"My brother, who is a first-class dentist, was more than ordinarily careful on this job, and when he had mounted the teeth in a plate measured to a hair's breadth and slipped them into his patient's mouth they fitted as if they had grown there, as it were, and now there isn't one man in a thousand can tell

that they are false-if, indeed, false they are. At the same time there Isn't any more Riggs' disease to trouble him."

Newly Patented Automatic Device for Hot Weather Use.

The picture shows a rocking-chair equipped with a newly patented automatic fan, designed by Frank J. Becker, of Hamilton, Ohio. The fans not bring more extravagant habits. The are attached in clamps, at opposite sides of the vertical rod, the fastening arrangement being such that any ordinary fan can be utilized. The rod has

a spiral thread cut at the lower end, and passed through a sleeve fixed on
