CARE OF PIGS.

The critical period in a pig's life lottery and blanks are often drawn.

THE BRAVERY OF WOMAN

Was grandly shown by Mrs. John Dowling of Butler, Pa., in a three years' struggle with a malignant stomach trouble that caused distressing attacks of nausea and indigestion. All remedies failed to relieve her until she tried Electric Bitters. After taking it two months, she wrote: "I um now wholly cured and can eat anything. It is truly a grand tonic for the whole system as I gained in weight and feel much stronger since using it." It aids digestion, cures

The practical side of science is reflected in

A monthly publication of inestimable value to the student of every day scientific problems, the mechanic, the industrial expert, the manufacturer, the inventor—in fact, to every wide-awake person who hopes to better his condition by using his brains. The inventor, especially, will find in The Patent Record a guide, philosopher and friend. Nothing of importance escapes the vigilant eyes of its corps of expert editors. Everything is presented in clean, concise fashion, so that the busiest may take time to read and comprehend. The scientific and industrial progress of the age is accurately mirrored in the columns of The Patent Record, and it is the only ately mirrored in the columns of The Patent Record, and it is the only publication in the country that prints the official news of the U. S. Patent Office and the latest developements in the field of invention without fear offering 30,000 feet of l" cull material SUBSCRIPTION PRICE ONE DOLLAR PER YEAR.
