PROSPERITY OF FARMERS.

The value on the farm of the nine principal crops raised in the United States was $710,722,617 larger this year than in 1896.

American farmers receive almost $115,000,000 more money for their wheat this year, under republican prosperity, than they did in 1896 under democratic depression. This year the people can afford to buy bread. In 1896 thousands of them were starving and begging for bread.

The American farmers received $346,000,000 more this year for their corn crop than they did in 1896.

They received nearly $164,000,000 more money for their cotton than they did in 1896. This year the mills were open and there was a demand for cotton.

American farmers received nearly $42,000,000 more money for their crop of oats this year than they did in 1896.

They received nearly $22,000,000 more money for their potatoes this year than they did in 1896. People could afford to buy potatoes this year, as the mills were open and good wages were being earned.

They received almost $14,000,000 more money for their barley this year, and barley is one of the smallest of the staple crops.

They received almost $6,000,000 more money for their rye crop, which is another of the small staples.

American farmers have also gained $500,000,000 this year in the value of their live stock as compared with 1896, according to the Department of Agriculture's figures.

The farmers will not throw away the substance for the shadow. They will vote for a continuance of republican prosperity as against a return of democratic adversity. They will vote for McKinley and Roosevelt. They will not vote for Bryan and Stevenson.

NOTICE TO TAXPAYERS.

It has been the custom and requirement of the law for the Sheriff of the County to serve tax warrants for delinquent taxes on the property of the delinquent tax payer, but owing to the passage of a new law such notices hereafter will not be served or posted on delinquent property, but a certificate of levy will be filed with the county clerk, and then the customary notice of sale of property for delinquent taxes will be published in one of the county papers. This levy will be made Nov. 1st, 1900, and advertising commence immediately thereafter. Tax payers in order to avoid expense of levy and advertising should pay their taxes at once.

ROBBED THE GRAVE.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c. Guaranteed, at BENSON DRUG Co., drug store.

IT HAPPENED IN A DRUG STORE.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y., "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy." It is for sale by BENSON DRUG Co., Cottage Grove. LYONS & APPLEGATE, Drain Druggists.
