

**RECEPTION.**— On Saturday evening the Y. W. C. A. gave a reception to Miss Olive Willard, their president, who was to leave for Portland on the night train. The affair was given at the reading room and was arranged as a surprise. The guests were assembled in the back room. Miss Willard was ushered into the front room, and her surprise was complete when the door between the two rooms was thrown open revealing a room full of guests. A short program was rendered after which the evening was spent in music, social converse and games. Refreshments were served at 10:30 and ere long the guests departed, a few friends waiting till the train arrived. In the departure of Miss Willard the association lost an efficient officer. Her work has been careful and conscientious and has been appreciated by many.

**BIRTHDAY ANNIVERSARIES.**— Sunday, Nov., 25, was an anniversary day at the home of Mr. and Mrs. J. B. Lewis. Leston Lewis celebrated his twenty-first birthday and Cleo Lewis her eighteenth birthday. Mr. and Mrs. Lewis had invited a few of their young friends to dine and to assist their son and daughter in enjoying this so important a day. Those present were Mr. and Mrs. J. B. Lewis, Miss Cleo Lewis, Leston Lewis, Mr. and Mrs. Casper Lea, Misses Ethel Wooley, Gerie and Nettie Burdick, and Messrs. F. S. Day, Armond Wynne and F. P. White. The guests enjoyed too few, very pleasant hours and wished the return of many more birthday to Mr. and Miss Lewis.

**FOR PASTURES NEW.**— H. Supple who for the past six months has been identified with the mechanical and local work of Bohemia Nugget last Saturday resigned his position and seeks pastures new. Mr. Supple is an able newspaper man, and a splendid printer of the good old school. His services have been appreciated here and the Nugget extends to him its best wishes and trusts that fortune will again smile upon him.

**ON THE ROAD.**— Cy Miller of this city who recently disposed of his blacksmithing interests here has become a full-fledged knight of the road, and left Tuesday morning for points south on his first trip. His line is a complete one in merchantile conveniences including all the necessary furnishings for the trade. Cy is a hustler and is deserving of the patronage he will no doubt receive.

**WILL FINISH BY DEC. 10.**— Contractor Lea, who has met with so many obstacles in the matter of completing the street work, said to a Nugget man this week that he would be able to complete the work by December 10. When completed the streets will have a fine dressing of rock over that now spread and then the citizens will be able to say that Cottage Grove has as good a street as any town in the state.

**LADIES OF THE MACCABEES.**— A select Hive of the Ladies of the Maccabees has been organized in this city. Any lady socially acceptable to its members may join at the charter fee \$1.50. Mrs. N. H. Lambson will soon return and close the charter, at which time an open meeting will be held under the auspices of the K. O. T. M. Mrs. Lambson is a fluent speaker and a good time is assured.

**SOLD HIS DOG.**— W. E. Martin of the Miner's Exchange, this week sold his fine blooded dog "Sport" to W. E. Talent of Astoria. Sport's many friends were assembled at the train Sunday to say farewell to as fine a dog as ever pointed a bird in this section.

**BIG RADISH.**— B. W. Emmerson of Latham brought the largest radish to the Nugget office Wednesday ever raised in this section. It is of the white variety and measures 18 inches around and 19 inches long.

**A WORTHY CAUSE.**— The ladies of this city are arranging an entertainment which will probably be given at Martin's Hall on the evening of December 5 the proceeds of which will be used to pay for the furnishings of the free reading room. There is no cause more worthy of the support of the public than that of establishing and maintaining a reading room free for all who have or have not the opportunity at home to burn the midnight oil over wholesome literature.

**PICKLED FROG.**— Eakin & Bristow are the possessors of a pickled or dried frog. He was found in an old discarded pickle barrel which had formerly been used to preserve butter. The frog had fallen or jumped in and not being able to get out was finally pickled or dried in salt. The skin of the frog is dried to the skeleton and his back and legs are covered with glistening crystals of salt. The queer little freak is on exhibition at the store.

**GOT 29 BIRDS.**— Cottage Grove was well represented at the turkey shoot at the Charles Wright place near Walker last Wednesday, some going by private conveyance early in the morning, and others on the 12:20 train. The entertainment was evidently satisfactory to the Grove sports, as it is said they got every bird they shot for, anyhow they brought home 29 of the noble birds. Billy Martin and Green Pitcher were the crack shots.

**FOOT BALL.**— As we go to press there is a fierce struggle for supremacy on the gridiron in this city, between the juvenile foot ball teams of Eugene and this place.

**WANTED.**— At the Taylor & Ross Photo Studio a negative of the proprietor or proprietors of each firm located in Cottage Grove. We will make each one a present of cabinet photo from same. Please come in as soon as possible as we want to arrange and make them into one picture. Remember you get a nice cabinet photo free to pay you for your trouble. TAYLOR & ROSS.

The ladies of this city are awakening to the needs of a free reading room and are determined to raise money by giving a series of entertainments to get the project upon a permanent basis. Their programs will be composed of the best talent in the city and the admission fee will be within the reach of all who may desire to advance the merits of the reading room.

**NOTICE.**— Notice is hereby given that the Board of Equalization for Lane county will meet on Monday, Dec. 10, 1900, and remaining in session six days for the purpose of equalizing the annual valuation of property. All parties having grievances in regard to assessment will govern themselves accordingly.

D. P. BURTON,  
County Assessor.

**W. C. T. U. NOTES.**— A very interesting program will be held at the M. E. church Dec. 2 at 7:30 p. m. Owing to the crowded condition of the Nugget it was impossible to publish the program prepared.

The temperance prayer meeting will be held at the M. E. church Nov. 30 at 2:30 p. m. All friends to the cause are cordially invited.

Alba Heywood, the Prince of Comedians, is coming. That means fun by the ton, laughs galore, beautiful music, and a delightful time all around. The press comments tell us that Alba Heywood is funnier than ever, that his work is all new, and his company strong and well balanced. It is with a keen anticipation of pleasure we await the appearance of this company, for with Heywood's name there always goes a guarantee of something good. He will be seen here on the evening of Dec. 5 at Martin's Hall.

Bert Nunn's home came near going up in smoke Thursday morning. The paper in the front room caught fire and before discovery, the doors being closed, destroyed much of the furniture and burned nearly all the paper and cloth on the walls and ceiling. The fire was put out by Messrs Nunn and Cochran without turning in an alarm.

One recitation by Alba Heywood is well worth the price of admission. He will be here December 5 at Martin's Hall. Tickets on sale at Frank Goodman's.

**MOTHERS!** Don't Let Baby Suffer.

THERE IS ONLY ONE THING KNOWN for aiding the teething process and slow growth in infants and children, and that is, for very obvious reasons, called ANTIFRET. It stops the fretting, restlessness, general fretfulness, colic and diarrhoea. It prevents brain troubles and convulsions. It renders nursing quite unnecessary. It has been estimated that five millions of babies die annually for want of mothers knowing what to do. Infants is the dangerous period of child life, far too serious to be dismissed with the careless remark "Baby is cutting her teeth." Your child needs bone making material. ANTIFRET supplies this want. It is tasteless, dissolves in milk and taken easily. One box will save your baby untold misery. Sent postpaid for return mail on receipt of 50 cents. Full instructions with each. Address INLAND DR. CO. CO., 2504 Washington street, San Francisco, Cal. Antifret so certainly relieves teething babies that we will on all packages sold by mail, refund the money by sending stamps in full for those returned within 30 days not over one fourth used.
