

**IN LODGE CIRCLES.**

**A Busy Week Among the Flourishing Lodges of this, and our Sister City Drain.**

Drain is a most beautifully located little town of some 400 people, 18 miles south of Cottage Grove on the Southern Pacific Company's route. Here you find the Oregon Central Normal School under the able management of Dr. Orcutt. You also will find two of the best country hotels in Oregon, in fact there is nothing too good for them to serve to their customers. The town is also a lodge town of no small proportions, the citizens of the place as a rule belonging to two and three lodges each.

On last Saturday night, another subordinate lodge of Knights of Pythias was added to Oregon's long list, in the name of that grand and faithful member Chas. Fellows, late grand outer guard, as Fellows Lodge No. 81, Drain, Oregon.

For some time the boys had looked forward to the "real thing" and it is said that they are now quite well satisfied that they have it.

The preliminary meeting was officially presided over by L. R. Stinson of Salem grand keeper of records and seal, who had been commissioned by Grand Chancellor Bradshaw to preside. The preliminary work was quickly and adroitly handled and then the work was turned over to Alpha Lodge, K. of P., No. 47, Roseburg, Oregon, with Chas. H. Fisher chancellor commander. The work was well put on, and seldom has a lodge started out under more favorable prospects than did

**FELLOWS LODGE, K. OF P., NO. 81** with a membership of 23 and plenty of good material.

Grand Chancellor Bradshaw of The Dalles, Oregon, made Juventus Lodge No. 48 an official visit. The Grand Chancellor is as his office indicates one of the most popular members of the order in the state, a good, whole-souled, and conscientious knight who loves his order first, last, and all the time. He is a fluent and easy speaker and his address to the members of Juventus Lodge was full of interesting thoughts appreciated by every

member and visiting brother present. His visit will long be remembered and the members intend to profit by the good wholesome talk administered to them.

**FIVE TO NOTHING.**

The game of foot ball played on the Landes field here last Saturday between the Bohemians and a Drain team resulted in a score of 5 to 0 in favor of the latter. Some right good playing was done on both sides, and had it not been for an error on the part of one of the Bohemian team in the early part of the first half the score would have stood 0 to 0. In the evening a reception was tendered the Drain team at Martin's hall, and a very pleasant time was had. The visiting team expressed themselves well pleased with their treatment while in our city.

**KILLED IN THE PHILIPPINES.**

**A NEW STAMP MILL.**

It is now understood that early in the spring a new stamp mill will be put up on the "Mayflower" group of claims in Bohemia. An immensely rich strike was made on this property early last season, and now that a mill is to be put in, it means renewed life and activity in that part of the camp. Editor W. P. Ely, of Kelso, Wash., is the principal owner of this group of claims, and with the erection of a mill, the Mayflower will at once become another handsome dividend payer in the Bohemia district.

**SERIOUS FALL.**

Mrs. Geo. Wall had the misfortune to get a painful and serious fall last Monday morning. It will be remembered that the walks were very frosty that morning, and as Mrs. Wall attempted to open the front gate to the Wall residence grounds she slipped and fell heavily to the walk striking upon her hip. For a time it was feared the hip bone was fractured, but it is now learned that other than severe bruises no damage was done, and the lady is recovering nicely.

**FROM THE HOSPITAL.**

Jas. Miller returned from a Portland hospital Saturday where he has been for treatment for partial paralysis, and on Sunday was conveyed to his home a few miles south of town. It will be remembered that Mr. Miller met with an accident while working in the timber at the Booth-Kelley mill at Saginaw a few weeks ago. He is quite hopeful that he will fully recover.

It is understood that at the next meeting of the City Council a curfew ordinance will be passed.
