

**FREEDOM FROM DISEASES AND DISPAIR.**

Mrs. C. Wolfer, the home healer, is now prepared to treat all manner of diseases with magnetism and without the use of medicine or the surgeon's knife, no matter what your disease may be, consumption, cancer or any other trouble there is a cure for you through this wonderful power. All cases taken where medicine has failed. All can be treated at their own home and through the mail. For further particulars write me at my home and full instructions regarding this treatment will be sent you by return mail. Anyone wishing to learn this wonderful science I will also teach them through mail only. Address all letters to Mrs. C. Wolfer, The Home Healer, Comstock, Oregon.

Trent, Ore., March 31st, 1900.  
This is to certify and is a statement to all those who may be suffering from diseases or any ill of the flesh.  
That I have suffered for the past 18 years with catarrh of the stomach, which resulted in giving me at times the nervous headache of a most excruciating and distressing character. I was so weakened that I was unable to perform any manual labor, my stomach would not retain scarcely any food. In connection with this malady I had rheumatism for the past six years which greatly distressed me when moving about. I have in vain tried many doctors also patent medicines recommended to me by my friends. As a last resort with but little hope I called on Mrs. C. Wolfer the magnetic healer of Comstock, Oregon, on Dec. 13th, 1899. After relating my case to Mrs. Wolfer she kindly gave me assurance that I could be healed and began my treatment that day. I improved from the first, and after taking two months treatment, I can say that I am sound and well in every respect. My trouble of the stomach and rheumatism has entirely disappeared as if by magic. I am now in my 66 year of age and feel like I did when a young man. I have taken no medicine of any kind since beginning this treatment.  
Very Respectfully,  
SAMUEL GARTIN.

Trent, Ore., March 31st, 1900.  
I wish to make a statement for the benefit of parents or those who may be suffering in any way the flesh that all flesh is heir to. Our little girl 6 months old was afflicted with scrofula on the cords of the neck which gave us great anxiety hardly knowing what to do, in from our experience doctors seem to know little of any certain treatment of such cases. Mrs. C. Wolfer the magnetic healer of Comstock was in the neighborhood and wife and I decided to call her in. Mrs. Wolfer informed us that she was able to treat and cure such cases. She gave the baby one treatment and the scrofulous swellings soon disappeared in three days and have not returned, this being three months treatment.  
Very Respectfully,  
MRS. OLA HOWARD  
MR. JOHN HOWARD.

The Iron Age estimates the number of furnaces now in blast in the United States as 233, against 211 December 1, 1900, an increase of 22. The weekly capacity is now 250,351 tons against 228,846 on December 1, a gain of 21,305 tons.

**STOOD DEATH OFF.**  
E. B. Munday, a lawyer of Henrietta, Tex., once fooled a grave-digger. He says: "My brother was very low with malarial fever and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued their use until he was wholly cured. I am sure Electric Bitters saved his life." This remedy expels malaria, kills disease germs and purifies the blood; aids digestion, regulate liver, kidneys and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints; gives perfect health. Only 50c at Benson Drug Co's drug store.

Senator Kelly's bill which provides for the appropriation of 10 cents per capita of the school children in each district to be used for library purposes is one of the meritorious measures which has been passed by the legislature. This will enable every district, whether large or small, to accumulate a good library. Another bill which has passed the senate provides for five directors in all districts in cities over \$1000 inhabitants. This measure, if it becomes a law, will not take effect until 90 days, and would not make any change in the number of directors this year.

The claim of other cough medicine to be as good as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until one day I was in the drug store of Mr. Honelihan and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I get a cold, and soon find relief. I also recommended it to my friends and am glad to say it is the best of all cough medicines." For sale by Benson Drug Co., Cottage Grove, Lyons & Applegate, Drain Druggists.

**A NIGHT OF TERROR.**

"Awful anxiety was felt for the widow of the brave General Burnham of Machias, Me., when the doctors said she would die from Pneumonia before morning" writes Mrs. S. H. Lincoln, who attended her that fearful night, but she begged for Dr. King's New Discovery, which had more than once saved her life, and cured her of Consumption. After taking, she slept all night. Further use entirely cured her. "This marvellous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1.00 at Benson Drug Co., Drug Store.

by a geologist and mining expert of world-wide reputation, Prof. Benjamin Silliman, who spent several months there, then being connected with the United States surveying corps, and in his official report says:

"Here are countless millions of tons of rich gold quartz reduced by the great forces of nature to a condition ready for the application of the hydraulic process, while the entire bed of the Rio Grande for over 40 miles is a sluice, on the bars of which the gold derived from the wearing away of the gravel banks has been accumulating for countless ages, and now lies ready for extraction by the most approved methods of river mining. The thickness of the Rio Grande gold gravel exceeds in many places **600 Feet**, or nearly **THREE TIMES** that of the like beds in California, while the average value per cubic yard is believed to be greater in the New Mexico beds than in any other such accumulation yet discovered."

"I have made a reconnaissance of the whole of this gravel along the Rio Grande, and have examined with all the care possible in the time at my command, the character of the gravel and its contents of gold. Nothing, I am persuaded, since the discovery of California and Australia is comparable for its measurable resources of gold available by the hydraulic process to the deep placers of the Rio Grande."

Other reports from eminent mining experts of National reputation pronounce the property of this company the richest and most extensive known.
