Anyone wishing to learn this wonderful science I will also teach them through mail only. Address all letters to Mrs. C. Wolfer, The Home Healer, Comstock, Oregon.

Trent, Ore., March SIst, 1900.

This is to certify and is a statement to all those who may be suffering from diseases or any ills of the flesh.

That I have suffered for the past 18 years with catarrh of the stomach, which resulted in giving me at times the nervous headache of a most excruciating and distressing character. I was so weakened that I was unable to perform any manual labor, my stomach would not retain scarcely any food. In would not retain scarcely any food. In connection with this malady I had rhenmatism for the past six years which greatly distressed me when moving about. There in vain tried many decabout. Thave in vain tried many doctors also patent medicines recommended to me by my friends. As a last resort with but little hope I called on Mrs. C. Wolfer the magnetic healer of Comstock, Oregon, on Dec. 13th, 1890. After relating my case to Mrs. Wolfer she kindly gave me assurance that I could be healed and began my treatment that day. Linuscayed from the first, and after the control of day. I improved from the first, and after taking two months treatment, I can say that I am sound and well in every respect. My trouble of the stomach and rheumatism has entirely disappeared as if by magic. I am now in my 66 year of age and feel like I did when a young man. I have taken no medicine of any kind since beginning this treatment.

Very Respectfully.

SAMUEL GARTIN.
