

A member of Cottage Grove Camp No 6424 says while we have nothing startling to report, the outlook for the future is encouraging. Our camp has been without a well organized team for over 18 months, we have now elected a chief forester who is now organizing a team that will prove to be a success to the camp. We ask the neighbors to come out and give us some encouragement. The camp has appointed a committee to procure the necessary equipment for the team. We will not try for the prize at the St Paul Head Camp this summer, but if any team in the neighborhood beats us in 1902 they will have to hustle, you bet.

Neighbors when I scan the columns of the Woodman paper, and see what is being done by the different camps throughout the country, it causes me to wonder why every man either married or single does not seek admission into some fraternal society, that is conducted in a way that every honest man can belong to and when a man has others depending upon him for support he ought to insure his life. When this is done if he has been wise enough to ascertain with reasonable certainty that the fraternity to which he has committed his important trust, is a safe and reliable one. His thoughts as he leaves home each morning to engage in the duties of the busy world are if the worst comes to the worst his loved ones will not be turned out on the cold world homeless and friendless.

A WOODMAN.

THE BEST REMEDY FOR RHEUMATISM.

Quick relief from pain. All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks, of Troy, Ohio, says: "Some time ago I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies but got no relief until I was recommended by Messrs. Geo. F. Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me that it is the best remedy for muscular rheumatism in the market." For sale by BENSON DRUG CO., Cottage Grove. LYONS & APPELGATE, Drain.

J. G. Crawford of Albany, Ore., brought from a farm near Tangent recently the entire skeleton of a woman taken from a mound which he reports is undoubtedly that of one of the original mound builders. A like skeleton, that of a male, was secured in the mound several months ago.

THE BEST BLOOD PURIFIER.

The blood is constantly being purified by the lungs, liver and kidneys. Keep these organs in a healthy condition and the bowels regular and you have no need of a blood purifier. For this purpose there is nothing equal to Chamberlain's Stomach and Liver Tablets, one dose of them will do you more good than a dollar bottle of the best blood purifier. Price, 25 cents. Samples free at BENSON DRUG CO.'s drug store.

Eleven thousand fleeces of mohair were pooled and auctioned off at Salem, March 27, for 22 cents per pound. There were six bidders. This is considered one of the finest lots of mohair ever gotten together in the state. About 100 goat breeders were in attendance.

HE KEPT HIS LEG.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and 1 1/2 boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For Eruptions, Eczema, tetter, Salt Rheum, Sores and all blood disorders Electric Bitters has no rival on earth. Try them BENSON DRUG CO. will guarantee satisfaction or refund money. Only 50 cents.

Beware of air dried or half dry flooring, ceiling and rustic. The Booth-Kelly Lumber Co., are making special prices on kiln-dried lumber.

A RAGING, ROARING FLOOD.
Washed down a telegraph line which Chas. C. Ellis, of Lisbon, Ia., had to repair. "Standing waist deep in icy water," he writes, "gave me a terrible cold and cough. It grew worse daily. Finally the best doctors in Oakland, Neb., Sioux City and Omaha said I had Consumption and could not live. Then I began using Dr. King's New Discovery and was wholly cured by six bottles." Positively guaranteed for Coughs, Colds and all Throat and Lung troubles by BENSON DRUG CO. Price 50c and \$1.00.

United States Official Report MADE TO

Commissioner of the U. S.

General Land Office, Washington, D. C.

by a geologist and mining expert of world-wide reputation, Prof. Benjamin Silliman, who spent several months there, then being connected with the United States surveying corps, and in his official report says:

"Here are countless millions of tons of rich gold quartz reduced by the great forces of nature to a condition ready for the application of the hydraulic process, while the entire bed of the Rio Grande for over 40 miles is a sluice, on the bars of which the gold derived from the wearing away of the gravel banks has been accumulating for countless ages, and now lies ready for extraction by the most approved methods of river mining. The thickness of the Rio Grande gold gravel exceeds in many places 600 Feet, or nearly THREE TIMES that of the like beds in California, while the average value per cubic yard is believed to be greater in the New Mexico beds than in any other such accumulation yet discovered."

"I have made a reconnaissance of the whole of this gravel along the Rio Grande, and have examined with all the care possible in the time at my command, the character of the gravel and its contents of gold. Nothing, I am persuaded, since the discovery of California and Australia is comparable for its measurable resources of gold available by the hydraulic process to the deep placers of the Rio Grande."

Other reports from eminent mining experts of National reputation pronounce the property of this company the richest and most extensive known.
