

BEWARE OF A COUGH.

A cough is not a disease but a symptom. Consumption and bronchitis, which are the most dangerous and fatal diseases, have for their first indication a persistent cough, and if properly treated as soon as this cough appears are easily cured. Chamberlain's Cough Remedy has proven wonderfully successful, and gained its wide reputation and extensive sale by its success in curing the diseases which cause coughing. If it is not beneficial it will not cost you a cent. For sale by Bessons Drug Co., Cottage Grove, Lyons & Applegate, Drain.

Passenger rates have been fixed to Dawson for the season and are as follows: From Seattle and other Puget Sound ports, and from Victoria and Vancouver, B. C., to Dawson, first-class, unlimited, \$105; first-class, limited \$100, and second-class \$80. From Dawson to Puget Sound ports and to British Columbia ports first-class, 120; second-class \$91.

FOUGHT FOR HIS LIFE.

"My father and sister both died of Consumption," writes J. T. Weatherwax, of Wyandotte, Mich., "and I was saved from the same frightful fate only by Dr. King's New Discovery. An attack of Pneumonia left an obstinate cough and very severe lung trouble, which an excellent doctor could not help, but a few months' use of this wonderful medicine made me as well as ever and I gained much in weight." Infalible for Coughs, Colds and all Throat and Lung trouble. Trial bottles free. Guaranteed bottles 50c and \$1.00 at Bessons Drug Co.

It is estimated that between February 13th and April 1st—the severest part of winter in the east—25,000 homeseekers went to new homes through the St Paul gateway. They came west in colonies and as small communities, composing a few families, and hundreds have struck out alone in search of fortune. They were taking advantage of special low railway rates and most of them will settle in Oregon and Washington. Others are still coming.

SHUDDERS AT HIS PAST.

"I recall now with horror," says Mail Carrier Burnett Monn, of Levanna, O., "My three years of suffering from Kidney trouble, I was hardly ever free from dull aches or acute pains in my back. To stoop or lift mail sacks made me groan. I felt tired, worn out, about ready to give up, when I began to use Electric Bitters, but six bottles completely cured me and made me feel like a new man." They're unrivaled to regulate Stomach, Liver, Kidneys and Bowels. Perfect satisfaction guaranteed by Bessons Drug Co. Only 50 cents.

A New York dealer who caters to the best trade, recently stated that the only good apples he could get were from Oregon. He had handled one thousand boxes of them during the winter at from 30 cents to \$1 a dozen. According to this dealer the orchards in the east are run down. There is always a first class market for A No. 1 apples.

Biliousness is a condition characterized by a disturbance of the digestive organs. The stomach is dilated, the liver torpid, the bowels constipated. There is a loathing of food, pains in the bowels, dizziness, coated tongue and vomiting, first of the undigested or partly digested food and then of bile. Chamberlain's Stomach and Liver Tablets allay the disturbances of the stomach and create a healthy appetite. They also tone up the liver to a healthy action and regulate the bowels. Try them and you are certain to be much pleased with the result. For sale by Bessons Drug Co.

SOUTHERN CALIFORNIA.

Notably among the pleasures afforded by the Shasta Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest and added sources of enjoyment, under its sunny skies, in the variety of its industries, in its prolific vegetation and among its numberless resorts of mountain, shore, valley and plain.

The two daily Shasta trains from Portland to California have been recently equipped with the most approved pattern of standard and tourist sleeping cars, but the low rates of fare will still continue in effect.

Illustrated guides to the winter resorts of Arizona and California may be had on application to C. H. MARKHAM, G. P. A., Portland, Oregon.

United States Official Report MADE TO

Commissioner of the U. S. General Land Office, Washington, D. C.

by a geologist and mining expert of world-wide reputation, Prof. Benjamin Silliman, who spent several months there, then being connected with the United States surveying corps, and in his official report says:

"Here are countless millions of tons of rich gold quartz reduced by the great forces of nature to a condition ready for the application of the hydraulic process, while the entire bed of the Rio Grande for over 40 miles is a sluice, on the bars of which the gold derived from the wearing away of the gravel banks has been accumulating for countless ages, and now lies ready for extraction by the most approved methods of river mining. The thickness of the Rio Grande gold gravel exceeds in many places 600 feet, or nearly THREE TIMES that of the like beds in California, while the average value per cubic yard is believed to be greater in the New Mexico beds than in any other such accumulation yet discovered."

"I have made a reconnaissance of the whole of this gravel along the Rio Grande, and have examined with all the care possible in the time at my command, the character of the gravel and its contents of gold. Nothing, I am persuaded, since the discovery of California and Australia is comparable for its measurable resources of gold available by the hydraulic process to the deep placers of the Rio Grande."

Other reports from eminent mining experts of National reputation pronounce the property of this company the richest and most extensive known.

Mining Claims in Bohemia.

Abstract of title secured and guaranteed. Information as to the laws governing the disposal of government lands.

How to secure homesteads, timber lands, mining claims, etc. Property for sale published weekly.

COTTAGE GROVE is the second city in Lane county, Oregon. Has a population of about 1200. The center of the four points of the compass when it comes to ingress or egress. Bohemia with its vast mining resources only thirty-five miles south east, with a good wagon road leading from the S. P. R. R. depot right here in town. Prospective railroad to the mines. The Coast Fork of the Willamette river, on which are situated the Black Butte quicksilver mines sixteen miles south, flows through the center of the city, furnishing abundant water facilities. It is only a mile and a half to its confluence with Row river, the outlet of the great timber ranges to the south east. Westward toward the coast range is an inexhaustible supply of timber, interspersed with numerous rich farming lands well improved and cultivated.

North or south from here on the S. P. railroad you can reach either Portland or San Francisco and be in touch with the whole world on short notice.

Water works in full operation. Electric lights and telephone system complete.

The best agricultural lands in Lane county lie in the vicinity surrounding Cottage Grove on either side, fit for farming or stock raising. Correspondence solicited.
