

**THE CONFEDERATE SPY.—**

The Confederate Spy was played here Friday night, to a fair sized audience in Martin's hall, by local talent from Eugene, under the auspices of Co. A. The company is entitled to much praise for the manner in which they handled their respective parts, and the audience demonstrated their appreciation by hearty applause at the proper moments. Messrs. Kauffman, Chas. Griffin, Arthur Stubling and Miss Sina Orrell took the leading parts which they sustained with credit. The song and dance specialty by little Misses Alta and Vera Eastham was neatly executed. The song specialties by Miss Fuller was thoroughly appreciated by the audience. After the performance an informal dancing party was held in the hall.

**RUNAWAY ACCIDENT.—**

Friday as Bake Stewart and son Mac accompanied by a young boy by the name of Brooks were driving in town, the wagon tongue came down just opposite the depot, frightening the team, which made a dash to get away. On reaching the side street opposite Robt. Griffin's residence the team turned, throwing the three occupants of the wagon into the street. Mac was thrown on his head and face in the crushed rock, breaking his nose and bruising his face severely. An ugly gash was cut in the scalp of young Brooks while Bake escaped with only a few bruises. The team broke loose from the wagon and were captured in the lower part of town.

**PUBLIC MEETING.—**

A public meeting of the business men and citizens of Cottage Grove will be held at 8 o'clock, Monday evening, May 20, in the city hall to make arrangements for celebrating the 4th of July. We understand that Eugene will not celebrate this year and Cottage Grove should put forth an extra effort in celebrating the 4th of July as her prospects are good for securing a large crowd on that day. Remember the date Monday evening, May 20.

**FALSE ALARM.—**

Sunday evening about 8 o'clock an alarm of fire was turned in, which was quickly responded to by the Eagle and Rescue hose teams. The Eagle company was on the scene of conflagration in a few minutes after the alarm was given, which proved to be nothing more than a burning chimney. Considerable excitement was caused by the ringing of the fire bell, the streets being crowded a few minutes after the alarm was given.

The base ball game Friday, between the Bohemia team of this city and the Rambler team of Eugene, was an exciting game from start to finish. The Eugene team won by a score of 15 to 7. It was the first match game played by either team this season. Both nines are in need of practice as they are capable of playing much better ball than was witnessed here Friday. A return game will be played at Eugene Sunday. The Bohemia team will be greatly strengthened in this game by the addition of two or three new men. The following was the line-up of the two nines.

"It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawfelle, of Hartford, Conn. "A lady customer, seeing the remedy exposed for sale on my show case, said to me: 'I really believe that medicine saved my life the past summer while at the shore,' and she became so enthusiastic over its merits that I at once made up my mind to recommend it in the future. Recently a gentleman came into my store so overcome with colic pains that he sank a once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store smilingly informing me that he felt as well as ever." Sold by BENSON DRUG CO., Cottage Grove, OREGON & APPELATE, Drain.
