> other night, and was evidently a brand-S. S. S. has been before the public for many years; from a small beginning, it has steakily worked its way to

the front, and is now known in every city, town and hamlet in the country. Its staunchest friends are those who have known it longest and have witnessed its wonderful curative powers in their own families or among their friends and acquaintances. Grateful patients in all parts of the country tell of their restoration to health and happiness, and the testimony of these is the highest evidence of the medicine's worth. S. S. S. is more popular today than ever in its history medicine's worth. S. S. is more popular today than ever in its history—no other remedy stands so high, has ever given such perfect satisfaction or is so reliable in the cure of Cancer, Rheumatism, Catarrh, Contagious Blood Poison, Scrofula, Eczema, Psoriasis, Salt Rheum, Acne, or any disease that originates in Scrotula, Eczema, Psoriasis, Sait Rheum, Acne, or any disease that originates in the blood. Being strictly a vegetable preparation, you will find it agrees with you much better than a drug store concoction or any of the widely advertised potash and mercury remedies, which affect the bones, muscles and stomach, causing Rheumatism or Dyspepsia. If you have never tried S. S. S., you will be surprised at the immediate good effects, appetite increases; you grow stronger and eradually

Take S. S. S. for no sconer does it get into the circulation than the appetite increases; you grow stronger, and gradually but surely it drives out the poisons and restores the blood to a healthy condition. If there is a sore or ulcer on the body, it begins to heal around the edges, the discharge finally ceases and the place gets well; muscular and bone pains vanish, and the skin is rolieved of all itching, irritating eruptions. Nervous, run down and anaemic people will find S. S. S. just the medicine they need, for blood poverty and illy nouriahed nerves are responsible for their condition. For old people and children S. S. S. has no equal; being free from all minerals, it does not nauseate or have any injurious effect whatever, and keeps the blood in good condition, thus fortifying against disease. Experience teaches what is good and what is not good; this applies particularly to medicine, and S. S. S., a remedy that has retained the confidence of the people for nearly 50 years, must have merit—ir cursts, is the secret of its success. When you callfor S. S.
