

**BUSINESS CHANGES —**

When it comes to business changes Cottage Grove can set a pretty good pace for some of the larger towns. Three deals of importance were consummated this week. Wheeler & Jordan sold the Cash Grocery to J. E. Wheeler and A. G. Young who will continue the business. Messre. Wheeler and Young are recent arrivals here from the east. The firm of Hemenway & Burkholder has also been dissolved, W. F. Hemenway retiring, having disposed of his interest in the business to his brother, D. H. Hemenway. The new firm will continue the business under the same firm name as before. Mr. D. H. Hemenway is well and favorably known, having been engaged in business here for a number of years. R. A. Sanders has sold the Bohemia saloon to Mr. Etter, an experienced saloon man, formerly of Albany. Mr. Sanders will remain here.

**BIRTHDAY PARTY.—**

Miss Elsie Kirk, of Dorena, entertained her friends in honor of her 16th birthday. The forenoon was spent in vocal and instrumental music after which dinner was called. The evening was spent in discussing events of the day. Those present were Mr. and Mrs. Allen Kirk, Mr. and Mrs. John Kirk, Mr. and Mrs. Will Kirk, Mr. and Mrs. Wash Chapman, Mr. and Mrs. Will Chapman, Mr. and Mrs. Felix Curriu, Misses Hattie Chapman, Jessie Heath, Roxy Van Schoiack, Mblmie Bayles, Sadie Wilson, Wyatt Wilson, Lillie Smith, Mural and Elsie Kirk, Osie Curriu, Lula Kirk, Messrs. George Curriu, Lester Chapman, Elsa and Frankie Van Schoiack, Wayne, Emmitt, Clarence and Ralph Kirk.

**LOTTIE L. TILLSON —**

Miss Lottie L. Tillson gave an elocutionary entertainment at the Opera house Monday to a small audience, and those who were present, did not seem to appreciate her efforts to please. There are a number of local elocutionists here who could have given a much better entertainment. The Rebecka Lodge of this city was instrumental in securing Miss Tillson and they regret very much that her entertainment was not what it was represented to be. Ice cream and cake was served by the Rebecka Ladies after the entertainment. This part of the program was participated in and greatly enjoyed by all present.

**LACK OF INTEREST.—**

On Tuesday afternoon Mr. L. C. Smith, of Minnesota lectured to a small audience at the Opera house, on dairying and diversified farming. The attendance for the afternoon lecture was so small that Mr. Smith decided not to speak in the evening. It is to be regretted that such a lack of interest was manifested. Mr. Smith is a practical and experienced farmer and his talk would have been worth dollars to every farmer who could have heard him.

**ELECTRIC FOUNTAIN.—**

The New Era drug store has one of the most attractive show windows this week that has ever been fitted up in the city. It is an electric fountain, manufactured by Mr. Nelson. It is mounted with several miniature electric lights and a crowd can be seen in front of the window at almost all hours of the night watching the maneuvers of the frogs, fish, turtles, crawfish and polliwogs.

**BLACK LEG.—**

The dread disease, black-leg, has made its appearance to some extent among cattle in some parts of the county. One man near Coburg has lost 9 fine blooded calves within the last few days.

**BASEBALL.—**

The agent of the Boston Bloomer girls baseball team was in town this week and arranged a game with Manager Dutton of the Bohemia team to be played Tuesday, June 25.

**PRACTICAL DRILL.—**

The Eagle hose team were out Tuesday evening doing a little practical work. Several loads of old boxes, crates and trash were gathered up around town by Marshal Nunn and hauled to a vacant block in the north part of town near the Christian church. About 8 o'clock, Tuesday evening they were saturated with oil and set fire to. A regular fire alarm was turned in and the boys made a very pretty little run of three blocks and had a stream of water playing on the fire on short notice. The Rescue team is also doing good drill work.

**LOAD OF STOVE PIPES.—**

All kinds of loads are hauled on wagons, but perhaps one of the most unique cargoes stood upon Main street last Saturday. It was a load of stove pipe in sections of six joints, in all 67 sections making 402 joints besides two tops to which were added an extra joint. The pipe is said to have been ordered for the Black Butte quicksilver mines and will be used as air pipes.

**FOR GODDESS.—**

The voting contest for Goddess of Liberty is now in progress. Tickets have been printed and are on sale at the New Era drug store and R. W. Newland's, at one cent each. The lady receiving the highest number of votes will be Goddess and the one receiving the next highest will be Angel of Peace.

**BOXING CONTEST.—**

A couple of spirited boxing contests occurred Thursday morning. Ceran DeLassus and A. Hemenway had a 5 round go, which was a very pretty contest. Joe Landess and Roy Hemenway were the next in the ring and for a few rounds gave a very good exhibition.

**THE CELEBRATION.—**

The Fourth of July committees are now getting down to hard work and are determined to make the celebration a grand success. The Pleasant Hill band will probably furnish music for the occasion. The line of march and program will be given next week.

**IMPROVING.—**

Word was received Thursday that Hon. Ivan McQueen, who is under the care of Portland physicians, was getting along nicely. He stood the operation very well and it is hoped that he may soon be able to return home.
