> and Splend'd Residences. Lots on the principal business streets.

### Mining Claims in Bohemia.

Abstract of title secured and guaranteed.

Information as to the laws governing the disposal of government lands, How to secure homesteads, timber lands, mining claims, etc.

Property for sale published weekly.

COTTAGE GROVE is the second city in Lane county, Oregon. Has a population about 1,200. The center of the four points of the compass when it comes to ingress and egress. Bohemia with its vast mining resources only thirty-five miles south east, with a good wagon road leading from the S. P. R. K. depot right here in town. Prospective railroad to the mines. The Coast Fork of the Willamette river, on which is situated the Black Butte quicksilver mines, sixteen miles south, flows through the center of the city furnishing abundant water facilities. It is only a mile and a half to its confluence with Row river, the outlet of the great timber ranges to the south east. Westward toward the coast range is an inexhaustable supply of timber, interspaced with numerous rich farming lands

North or south from here on the S. P. railroad you can reach either Portland or San Francisco and be in touch with the whole world on short notice.

Water works in full operation. Electric lights and telephone system complete. The best agricultural lands in Lane county lie in the vicinity surrounds ing Cottage Grove on either side, fit for farming or stock raising. Correspondence solicited.
