

A MINISTER'S GOOD WORK.

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan.

ASTONISHED THE EDITOR.

Editor S. A. Brown, of Bennettville, S. C. was once immensely surprised. Through long suffering from Dyspepsia, he writes, "My wife was greatly run down."

SOUTHERN CALIFORNIA.

Notably among the pleasures afforded by the Shasta Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest.

The two daily Shasta trains from Portland to California have been recently equipped with the most approved pattern of standard and tourist sleeping cars.

Illustrated guides to the winter resorts of Arizona may be had on application to C. H. MARKHAM, G. P. A., Portland, Oregon.

THEIR SECRET IS OUT.

All Sadieville, Ky., was curious to learn the cause of the vast improvement in the health of Mrs. S. P. Whitaker, who had for a long time endured untold suffering from a chronic bronchial trouble.

"Through the months of June and July our baby was teething and took a running off of the bowels and sickness of the stomach," says O. P. M. Holliday, of Dewing, Ind.

The laws of health require that the bowels move once each day and one of the penalties for violating this law is piles. Keep your bowels regular by taking a dose of Chamberlain's Stomach and Liver Tablets when necessary.

"My baby was terribly sick with the diarrhoea," says J. H. Doak, of Williams, Oregon. "We were unable to cure him with the doctor's assistance, and as a last resort we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. I am happy to say it gave immediate relief and a complete cure."

WHAT A TALE IT TELLS.

If that mirror of yours shows a wretched, sallow complexion, a jaundiced look, moth patches and blotches on the skin, its liver trouble; but Dr. King's New Life Pills regulate the liver, purify the blood, give clear skin, rosy cheeks, rich complexion. Only 25c at Benson Drug Co's drug store.

TO SAVE HER CHILD

From frightful disfigurement Mrs. Nannie Galleger, of LaGrange, Ga., applied Bucklen's Arnica Salve to great sores on her head and face, and writes its quick cure exceeded all her hopes.

MINING.

No branch of industry to which man sets his hand returns such handsome profits as does mining. The dividends derived from the prosecution of legitimate mining far outrank the net returns from any other line of activity which engages the commercial energies of mankind today.

All of which merely means that with our much vaunted commercial expansion abroad there is going on a most lively internal development of the infant resources of our land. The truth is that our outward commercial expansion is builded upon our internal prosperity.

Modern metallurgy is but fifty years old, and metallurgy as applied today is but ten years of age. What remarkable results have been wrought out in that short time! The earth's riches are year by year being laid under contribution to supply man's wants, and untold wealth is being placed at the disposal of the man who can and will develop these resources.

All that the capitalist desires is a fair shake for his money, and mining is now upon such a basis as to assure him of that. It is a regularly constituted business, and success in it is achieved along the lines and according to the conditions that prevail in every other line of commercial endeavor.

Mining today is in the position where it has the right and the prospect of inviting capital to its support, and as has been said, this is being most generously accorded. It is the mission, therefore, of everyone interested in the development of the mining resources of our land, and especially of the west, to see to it that the industry is kept strictly within the lines of "business, not gambling;" to put the industry to the front in its true light; to let it speak for itself—for if this is done, it will raise up its own friends and rally its own supporters.—Daily Mining Record.

HORSES IN THE BOER WAR.

The British-Boer war in South Africa has furnished the only sample of real fighting with modern lethal weapons. Much has been written and more said about the morality among horses and mules in warfare; but it is only of late that the actual figures have been available, says Breeders' Gazette. These we get from Lord Roberts' statement of his conduct of the campaign in South Africa up to the time he handed over the command to Kitchener of Khartoum.

sent to the front up to the date mentioned and 57,330 thick-set little horses or cobs for the mounted infantry. In addition 21,252 cavalry horses and 9385 for the artillery were also lauded. On Lord Robert's march from the Modder river to Bloemfontain 11,368 mules began the trip and 795 or about seven per cent failed to finish the journey.
