RESTORE VIGILANTES.

How John W. Mackay Would Deal With the Anarchists.

New York, Sept. 16.—"Anarchists should be dealt with severely," said John W. Mackay in an interview last night. "We never had so good a government in San Francisco and Virginia City as during those years when the vigilance committees were in control. Every offender was tried by a jury of 12 good men and if found guilty executed on the spot. Bad characters left the country instantly on receiving warning from the committee. It did not have to be repeated."

"I hope the newspapers and public officials will urge immediate action. This shooting down of good men like President McKinley is a serious matter. It makes no difference how brave a man may be some cowardly assassin may shoot him from a roof at some unexpected moment. Guards amount to nothing. Men have been assassinated in the midst of their soldiers. Summary justice properly executed will do the work. Drive the anarchists out of America. Hang everyone of them caught in these crimes without delay. Let the movement begin with vigorous action on the part of the community and they will disappear when they find we mean business. Every anarchist arriving in this country should be sent back by the next steamer. The European police will attend to them. They are shadowed everywhere and they should be kept over there—hunted down and promptly exterminated."

"The time has come for business men to take hold of this matter and settle it in good shape. There should be no half-way measures. Let the papers help the movement along, force Congress to make a proper law at the earliest moment and have officials see that it is executed. Public sentiment will do the rest. The country will sustain such a movement and make anarchism a thing of the past."

"The Great Carnival, which opens at Portland on September 18th and continues until October 19th, 1901, will be well worth a visit to the metropolis. Exhibits of agricultural and horticultural products, mining and manufacturing industries, athletic exercises, a horse show at which feats of horsemanship and the various forms of fancy riding will be seen, and a magnificent military tournament, participated in by picked companies from the Oregon National Guard, are a few of the attractions at the Carnival this year. The Southern Pacific Co. will sell tickets at low rates for this occasion, and will also run a special excursion from Ashland to Portland and return, stopping at all intermediate stations, the date and rates for which will be announced hereafter."
