ALASKA LINER ASHORE.

Struck in a Dense Fog—Passengers Not in Danger.

Vancouver, B. C., Oct. 15.—In a dense fog the Canadian Pacific steamer Ha Ting, from Skagway to Vancouver, went ashore yesterday afternoon at Tucker Bay, Jarvis Island, and is now hard and fast on the rocks. The place is a small rocky islet lying to the northeast of Lasqueti Island, at the entrance to Sabine Strait, 49 miles north of Vancouver.

When the steamer went ashore Captain Gosse was on watch, and first officer Newrotes was on the bridge with the master of the vessel. The fog at the time was so dense that it was impossible to see 10 feet in any direction. The Ha Ting had on board 170 passengers, of whom 130 were first class and 40 second class. There was no panic when the steamer struck, and the passengers were soon made aware that there was no danger to be apprehended. After examination of the steamer, when it was found that she could not get off the rocks by her own efforts, the captain started Pilot Gunns off to Vancouver in a ship's boat with four men. Gunns rowed down, arriving in Vancouver this afternoon. He met no steamer until his crew had rowed 35 miles distance, when a tug picked them up. The Ha Ting is a particularly good boat, having been brought from Hong Kong for the northern trade about eight months ago. Her estimated value is \$240,000.

The Ha Ting a Total Loss.

Vancouver, B. C., Oct. 15.—The latest reports from the steamer Ha Ting are to the effect that a big hole has been discovered in the steamer's bottom. It is stated that at high tide the stern is under seven feet of water. The passengers have all been landed on adjacent islands. Canadian Pacific officials here have advised to the effect that the Ha Ting will be a total loss. Captain Gosse, who was in command, was considered a most careful and successful navigator. This is his first accident.

LETTER FROM PAT CROWE.

He Will Surrender if Bail is Placed at \$600—Letter Believed to be Genuine.

Omaha, Oct. 15.—Chief of Police Donahue has received a letter from Pat Crowe, naming the terms on which he will surrender. The letter came in the care of an Omaha newspaper in which it is published, and covers 15 closely written pages of manuscript. The postmark is illegible, but the letter was mailed at 8 o'clock in the morning, and reached this city at 8 o'clock in the evening of that day, indicating that it had not traveled a long distance. In the letter Crowe agrees to give himself up and stand trial for the kidnaping of Eddie Cudahy, providing he is not locked up until a jury shall adjudge him guilty. He says he is unable to furnish bond in excess of \$500, and demands that bail be fixed in that sum.

Chief Donahue expresses himself as satisfied that the letter came from Crowe. Donahue has known Crowe for several years, is acquainted with his manner of handwriting and style of expression. The Chief also received a letter from Crowe's uncle at Manchester, Ia., submitting similar terms for Crowe's surrender, which leads the police to believe that they are dealing with the right man. Crowe, in his letter, takes the detective agencies to task, defying them to attempt his arrest.

AFFAIRS IN AFGHANISTAN.

New Ameer's Brothers Did Not Acquiesce in His Accession.

London, Oct. 15.—According to official intelligence from the Ameer of Bokhara, says a dispatch from St. Petersburg to the Daily Telegraph, "the brothers of Habib Ullah Khan left Cabul secretly with their partisans the moment their father died, and therefore cannot be said to have acquiesced in the accession of their brother. Habib Ullah, indignant at their flight, has taken measures to defend the capital and sent strong detachments to prevent their return or to endeavor to capture them as rebels. He has further resolved to ask assistance of Emperor Nicholas and the Ameer of Bokhara."

Maintaining Order at Cabul.

London, Oct. 15.—"A large Afghan force has been assembled around Cabul and is maintaining order," says a dispatch to the Daily Mail from Simla. "Habib Ullah Khan has appointed a special guard for each European in Cabul, directing that the guards shall answer for their lives for the safety of their charges." "The Indian government has postponed the usual move to Calcutta, and Lord Curzon has indefinitely postponed his projected tour."

"FIREWORKS" TO COMBATANTS

Arms and Ammunition Being Shipped From New York to South America.

New York, Oct. 14.—The Tribune says: "The Colombian government has been buying several rapid-fire guns here and shipping them south. Speculators in the West Indies and Central and South America, expecting eventually to dispose of arms and ammunition to the revolutionists, who are paying good prices for such wares, are sending stocks to South America marked 'fireworks.' The use of the term fireworks is not intended to conceal altogether the nature of the shipments, as they are not contraband. It makes unnecessary a full description and insures careful handling. Within the last week upwards of 200 cases of 'fireworks,' besides firearms, cartridges, dynamite, and fuses, labeled as such, have been shipped to Argentina, Brazil, Chili, Central America, Cuba, Ecuador, Mexico, Uruguay and Colombia. It is believed that the revolutionists in Venezuela and Colombia will get most of the 'fireworks.' The government of Colombia recently forwarded the 15-pound rapid-fire Seabury and Driggs rifle, which was on exhibition at the Pan-American exposition, and which it bought. Two of the four rifled pieces also obtained were shipped by the Atlas and Panama lines a few days ago."

Victory for Revolutionists.

New York, Oct. 14.—Advices from Ciudad, Bolivia, announce that the Venezuelan revolutionists commanded by General Geronimo Rivas, have attacked and defeated the Venezuelan government troops under General Arostegui, near Barrancas, in the state of Bermudas, and that General Arostegui has been taken prisoner. It is further announced that the Venezuelan troops have joined arms with the revolutionists. Government troops from San Felix, commanded by General Africano, sustained a defeat near that town at the hands of the revolutionists under General Vidal. General Africano escaped to San Felix.

SEARCHED VILLAGES.

Bandits Killed and Captured by Bulgarian Troops.

New York, Oct. 11.—Three battalions of the Sixth Bulgarian infantry regiment marched through the country between Dubnitsa and Samakov and searched the villages of the Rilok-oster's district, in one of which it was reported the brigands had concealed Miss Stone. Colonel Gaschof, at the head of about 300 Bulgarian infantry and 500 dragoons, is scouring the ranges of Dospat and Rhodopegebirgen.

The American consul general at Constantinople has arrived at Sofia with an evangelical pastor from Philadelphia as dragoman, and both are taking energetic steps with the Bulgarian government to effect Miss Stone's release.

The reputed leader of the gang who killed Stambouloff has met his fate. Suspected of being associated with the capture of Miss Stone he was shot dead in the frontier near Kostendit. Though £1,000 has been placed on his head for the murder of Stambouloff, Halo the name under which he was known, was too influential a ruffian for the Bulgarian police to arrest.

Four additional brigands have been captured near Tschepino, and a band of 20, fully armed, were discovered near Dubnitsa and driven into the mountains again.

CLAIM JUMPING.

Two Hundred Jumped Indian Allotments in Oklahoma In One Night.

Anadarko, O. T., Oct. 14.—Colonel Rad Litt, Indian agent here, has applied to Secretary of the Interior Hitchcock for troops to eject United States Deputy Marshals and others from Indian allotments. Two hundred claims were jumped the night of October 5. The persons settling on the Indian allotments assert that the allotments are fraudulent and that a head right of 320 acres is not legal. This opinion is concurred in by the ablest lawyers of the territory. Frank Farwell, chief of the Indian police, has instructed his men to proceed at once to serve notice upon all who have settled upon Indian allotments to vacate at once. No trouble is feared.

Escaped in Their Cellar.

Clifton, Kan., Oct. 14.—At 6:30 last night in a clear spell that followed a heavy storm of rain and hail a large tornado cloud could be seen to the southwest approaching the town. The storm, however, swept about two miles to the west, traveling in a northeasterly direction.

L. C. Homer's house and outbuildings were swept away. The family escaped to the cellar. The path of the storm was from 40 to 80 rods wide.

National Arrest in Colorado.

Denver, Oct. 14.—A sensation was caused tonight by the arrest of Mrs. Vallie, widow of Uplide Vallie, whose body was found near his home in Jefferson, Park county, last week. Vallie was station agent for the Colorado Southern railway at Jefferson. His head had been beaten to a pulp with a club. The coroner's verdict charged the crime to Charles Barker, a man formerly employed by Vallie on a ranch.

WILL PAY RANSOM

SEARCH FOR THE ABDUCTORS ABANDONED

By Request From Washington, It Being Feared The Brigands Would Kill The Missionary If Closely Pursued—The Turkish Troops Have Been Recalled Accordingly.

Constantinople, Oct. 14.—In compliance with a request from Washington, the search by the Ottoman troops for the abductors of Miss Stone, the American missionary, has been abandoned, it being feared that the brigands would kill her should they be closely pursued. Arrangements are now being made to pay the ransom demanded.

ANOTHER APPEAL.

Only Half the Amount of the Ransom Has Been Raised.

Boston, Oct. 14.—The misunderstanding existing in various parts of the country, indicated especially in private advices received here, as to the progress of the fund to ransom Miss Stone, the missionary, is considered a sufficient reason for the issuance of another appeal for funds by the clergymen who signed the first one. The idea is to impress upon the people of America the danger that still threatens Miss Stone. The second appeal is as follows:

"Boston, Oct. 11.—The people of America: The prompting of our hearts compels us to issue a second urgent appeal to the people of America to come to the rescue of Miss Ellen M. Stone, the American missionary, now held captive by the brigands in the Balkan mountains for a ransom of \$110,000. Nearly one-half that sum is yet to be raised.

"Private advices received yesterday were to the effect that it was absolutely necessary to raise the full amount at once. The story of 30 days' respite is absolutely discredited in the best informed circles. Today's information from Washington is that the outlook is far from being so reassuring as was hoped yesterday. The public should not be deceived by the idea that the American board, as such, will pay any of the ransom. It has officially declared that it could not, although its members have unanimously declared sympathy with the movement. Will not pastors, tender-hearted women, patriotic men and representatives of commercial and financial activity everywhere; will not everyone aid by giving and soliciting, until the entire fund is in hand? A life is at stake, and the life of a Christian, a missionary, a patriot and a noble American.

"All contributions should be sent direct to Kidder, Peabody & Co., 115 Devonshire street, Boston, or Baring, Magoun & Co., 15 Wall street, New York. All money contributed will be returned to the donors in case its use is not necessary or in event of its being hereafter returned by or through the United States government.

Brigands Shy of Future Traps.

London, Oct. 14.—The United States legation here has received information, which they withhold, of some expected developments in the Stone affair. Tuesday it was supposed an attempt would be made to capture the band, but nothing has been heard since then, when Mr. Haskell reached Samakov. He is not provided with funds, but is empowered to arrange the lowest terms. The attempts to capture the band have made the brigands shy of future traps, thus rendering negotiations difficult. Such tactics are severely criticized here. The brigands may in revenge kill their captive. Moreover the fact that no money was produced on the first demand may cause the brigands to mutilate Miss Stone as a warning.

Robbed Theatrical Trunks.

Ithaca, N. Y., Oct. 14.—Charles Norris, car inspector for the Lehigh Valley railroad, was arrested here today for the theft of bonds, jewelry and other property valued at \$70,000, belonging to Mrs. Denman Thompson and Mrs. Franklin Thompson, of the "Old Homestead" company. Most of the property, including \$60,000 worth of bonds, has been recovered. The articles are said to have been stolen from trunks in a baggage car.

Armour Plant at St. Louis.

Chicago, Oct. 14.—Armour & Co. today completed the purchase of a tract of land at the National stock yards, East St. Louis, and will soon begin the erection of a packing plant to cost \$1,000,000.

Rolling Mills May Be Moved.

Everett, Oct. 14.—It is reported here that the Lakeview rolling mills at Tacoma contemplate a change of base. The management has a site in Everett under advisement.

Venezuela Inclined to Peace.

Caracas, Venezuela, Oct. 14.—Venezuela, on the surface, is inclining to the attitude formerly expressed, of favoring a friendly and conclusive arrangement between Venezuela of the existing trouble, principally because the Venezuelans were defeated at Guajira. They see small chance of vanquishing the Colombians on the Tachira frontier. President Castro fears the vivifying effect upon nationalism of another military disaster.

WERE BEING SMUGGLED IN.

Launch With Four Chinese Captured—Captain Escaped.

Port Townsend, Wash., Oct. 11.—Another evidence of the determination of Chinese to invade this country and evade the exclusion law was brought to light by the capture of a sloop with four Chinamen on board. The capture was made by the United States revenue launch Guard, in command of H. B. West, a few miles south of Fort Flagler. When the captain of the sloop sighted the launch approaching he ran his sloop close inshore and jumped overboard, swam to the beach and took to the woods. A portion of the crew of the launch landed and gave chase, but owing to the dense growth of the underbrush the pursuit was abandoned. On the sloop were found four Chinamen, who were brought here, and sent to Collector of Customs Henstis that they paid \$50 to be brought over from the British Columbia side. The sloop belongs to a resident of British Columbia named Jamieson. This makes the fourth sloop captured from him with Chinese on board in the past 30 days. Two other sloops belonging to other men were captured during the same period. The Chinese are being smuggled across the line daily and the authorities are putting forth increased efforts to put a stop to the business.

BOER WAR SPREADING.

Britain Forced to Extend Martial Law—Will Inaugurate "Vigorous" Measures.

Cape Town, Oct. 11.—The Gazette today proclaims martial law in the districts of Cape Town, Wynberg, Simonstown, Port Elizabeth and East London. The proclamation is the outcome of the recent visit of the premier of Cape Colony, Sir John Gordon, and the under secretary of native affairs in South Africa, J. Ross Innes, to the British high commissioner, Lord Milner. It places under military control the few points in Cape Colony hitherto exempted and the constitution is therefore suspended over the entire colony. This action probably foreshadows the commencement of vigorous measures which those on the spot are understood to believe necessary to end the war.

Martial law will be modified in its application to the ports by leaving the docks, railroads and harbors under the control of the civil authorities. Military rule will be mitigated in some other respects.

MILLIONS IN SIGHT.

Remarkable Gold Discovery Reported from Mountains of Arizona.

Tucson, Arizona, Oct. 10.—Charles R. and Porter W. Fleming, of this place, arrived here this afternoon from the Galluro mountains, where they report a remarkable gold discovery. The rich find is located 70 miles north of Tucson, and the vein of ore, according to the Flemings, is 200 feet wide and 6,000 feet in length. A canyon cuts through the vein for 200 feet, exposing the vein on either side the entire length of the cut. The Fleming brothers assert that from the bottom of the canyon to the surface the outcroppings of ore will run from \$5 to \$1,000 to the ton. They estimate the amount of gold in sight at the enormous sum of \$7,000,000.

Situation in Afghanistan.

London, Oct. 11.—"It is regarded here as certain that there will be an outbreak of civil war in Afghanistan," says a dispatch from St. Petersburg, "arising from the claims of the fourth son of the late Ameer, Mohammed Umar Khan, who is favored by Russia. Telegrams were sent to Kush ordering large reinforcements of Russian troops along the frontier to be in readiness, if necessary, to seize Herat."

Will Study American Conditions.

Berlin, Oct. 11.—Privy Councillor Gotscheberger, who was recently appointed by the Imperial government a member of the consulting board in the connection with the preparation of political and commercial measures, will sail for the United States October 17. He proposes to make an unofficial tour in America for the study of industrial and commercial conditions.

Record-Breaking Coaching Trip.

New York, Oct. 11.—Alfred G. Vanblift and James H. Hyde are scheduled to leave the Holland House at 6 o'clock tomorrow morning on a coaching trip to Philadelphia and return, and they hope to make the trip a record-breaking one. They will try to be back at the Holland House at 10:30 o'clock at night. The distance by road for the round trip is about 200 miles. Seventy-two horses will be used over the route, they being changed every six or seven miles.

Duel to the Death.

San Deigo, Oct. 11.—Two rival saloon-keepers were killed in a barroom here last night. The two men were standing on opposite sides of the bar. Angry words passed and they drew their revolvers and fired simultaneously. Posey sank down behind the bar and expired almost instantly. Quinlan staggered into the street and fell. He was picked up and taken into a nearby saloon, where he died a few minutes later.
