

IT HAPPENED IN A DRUGSTORE.

"One day last winter a lady came to my drugstore and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y.

TOT CAUSES NIGHT ALARM.

"One night my brother's baby was taken with Croup," writes Mrs. J. C. Snider, of Crittenden, Ky., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it.

A FIENDISH ATTACK.

An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped with cushions.

"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa.

THE MISS STONE PROBLEM.

If the demand for a ransom for Miss Stone could be separated from its inevitable consequences there would be no haggling about terms. The sum of \$100,000 would be raised as easily as the \$50,000 which has been subscribed, if there could be any assurance that no other missionaries would fall into the trap which caught Miss Stone.

The Telegraph doubtless speaks from its own idea of what ought to be done rather than from any exclusive knowledge of what the United States proposes to do. The question is in a sense international.

If the suggestion of the Telegraph should be accepted, the consequences would be far-reaching. While no government, not even of a Bulgarian principality, would openly protect the brigands who hold Miss Stone in bondage, an attack upon Bulgarian ports in the Black Sea would be sure to create international complications.

An Eastern contemporary suggests that the ransom be paid and that the United States Government proceed to collect it later from the government that harbored the bandits. The bandits would not be deterred from future operations by threats against a government under which they are outlaws.

It is hardly necessary that any one should tell you that you need a few doses of Chamberlain's Cough Remedy to allay the irritation of the throat, and make sleep possible. It is good. Try it. For sale by Benson Drug Co., Cottage Grove, Lyons & Applegate, Drain.

A BIT OF "SARKASM."

The way to get along is to buy nothing as far as you can, then Jew everybody down and make them take it out in trade if possible. By all means, don't let a dollar of your money get into circulation if there is any way to prevent it.
