ASSAULTED BY MINERS.

Non-Union Men Are Attacked at Mines Near Vincennes, Indiana,

Vincennes, Ind., Nov. 21.—Four hundred union coal miners from Washington, Connellburg, Petersburg, Princeton and Montgomery arrived here at an early hour this morning and at 5 o'clock made an attack upon the non-union miners employed at the Prospect Hill mines near this city. As a result two men are fatally hurt and a half dozen more seriously injured.

The union miners formed at the union station and marched to the mines. Just as the men on the day shift were going on duty they were attacked. The union men asked for the foreman and when told that he was in bed said: "All right; we will get him." They started after Scott, the foreman, and in the melee that followed Scott and his family defended themselves as best they could but were powerless. Scott was badly beaten and W. P. Collins, an attorney of Washington, a brother-in-law of Scott, who was visiting with the family, sustained injuries that may prove fatal.

What New York's Election Cost.

New York, Nov. 25.—The pay rolls of the boards of education of greater New York, which have been approved, show that the recent city election cost the municipality \$670,000, or \$1.08 for each voter that was registered. Advertising cost \$90,000; ballot printing \$35,000; incidental \$75,000, and the rest went to registration and election officers. The state also expended about \$6,000 in connection with the election.

Will Leave Sofia.

Sofia, Nov. 25.—Mr. Dickinson, the diplomatic agent here of the United States, has returned to Constantinople. There is obviously no prospect of a settlement with Miss Stone's abductors. The departure of Mr. Dickinson will probably have a good effect upon the brigands who have Miss Stone in their possession, as they may fear to lose everything by not accepting Mr. Dickinson's proposals.

CONDISINE CLEARED.

The Jury Finds Him Not Guilty of the Murder of Meredith.

Seattle, Nov. 22.—John W. Considine left the King county court house shortly before 6 o'clock last evening a free man. According to the verdict of the jury, he is not guilty of the murder of ex-Chief of Police William L. Meredith. The verdict was read in the court room at 5:35, exactly three hours from the time the jury men were locked up for deliberation. It was received by the defendant, his family, friends and consul with every evidence of joy and relief. There was no demonstration of any kind from the big audience, the only movement being toward the doors.

The members of the jury are reticent concerning what went on behind the doors of their room. One and all decline to say how they stood on the first ballot, or to give the number of ballots taken. No explanation was offered for the long delay. As one juror expressed it: "We expect considerable adverse criticism, and a good deal of the other kind, so we have agreed not to say anything about how we reached the verdict."

After the reading of the verdict, Tom and John Considine both rose and grasped the hands of the jury men, who were by this time filling from the box. There was a general shaking of hands about the Considine table for several minutes, and then the courtroom was gradually cleared. The long trial was over.

It is not thought likely that Tom Considine, who is also charged with the murder of Meredith, will be brought to trial, although the prosecuting attorney has given out no statement to this effect.

VALUABLE CARGO.

Steamship Brought Products From Alaska Valued a \$200,000.

Seattle, Nov. 20.—Products of Alaska valued at \$200,000 were brought to Seattle as the cargo of a single vessel, the Senator, Captain James B. Patterson, which arrived from the North today. Fish and fish products made up the entire shipment. There were 37,216 cases of salmon from Petersburg, Girard Point and Sitka Bay canneries, and 2,500 cases of fish guano and 550 barrels of fish oil from the Kilaasnoo fisheries.

On the return the Senator got aground on a rocky bottom at the north entrance to Wrangle Narrows, bending several plates on the starboard side forward. She hung fast about 20 minutes and then hauled herself off. While the springing of the plates did not cause a leak, it may later be necessary for the vessel to go into drydock.

The Senator brought 89 passengers from various Southeastern Alaska points, prominent among whom were Professor C. C. Georgeson, special agent of the United States Agricultural Department; W. T. Summers, president of the First National Bank of Juneau, and Dr. B. K. Wilbur, of Sitka.
