FOUND HOGS, BUT NO HILL.

"Speaking of James J. Hill," said a St Paul man, at the Holland House the other evening, "I can tell you a story of him."

"It was away back in the '80s when the late lamented Harry Ives was Mr. Hill's private secretary, and Mr. Hill was giving away pigs of purest breed to the farmers of the northwest, in order to encourage stock raising along the line of the Great Northern road, and thus build up its traffic. The state fair was in progress in St Paul, when one September morning Ives opened Mr. Hill's mail and found a letter from a farmer, which read as follows:

"Mr. J. J. Hill—Dear Sir: I went to St Paul and to the fair, as you told me. I looked for you at your office, and also, at the fair grounds. I found plenty of hogs of your species, but could not find you anywhere."—New York Times.

Notice to Tax Payers.

NEW TAX LAW.

At the last session of the legislature a new law was passed in regard to the collection of taxes, which law took effect on December 1st, 1901, and in substance is as follows:

1 If you pay your taxes on or before March 15th you will be allowed a rebate of three per cent.

2 If you pay your taxes between March 15th and up to and including the first Monday in April, there will not be any rebate and neither will there be any penalty or interest added.

3 If your taxes are not paid on or before the first Monday of April, they will become delinquent, when there will be added a penalty of 10 per cent, and the tax will also draw interest at the rate of 12 per cent per annum in addition to the penalty.

4 If you pay one-half of your taxes on or before the first Monday in April, then the remaining half may run up to and including the first Monday in October following: but if the last half of tax due is not paid by the first Monday of October, it becomes delinquent, and there will be added to such balance, a penalty of 10 per cent, and in addition, such ballance will bear interest at the rate of 12 per cent per annum from the first Monday in April until paid.

5 On all personal property taxes if one-half is not paid on or before the first Monday in April, the law compels the sheriff to levy upon and collect the same after May 1st, hence to prevent a levy upon personal property after May 1st it will be necessary for one-half to be paid as above stated.

6 The law compels the sheriff to sell all lands on which taxes have not been paid, and that such sales shall not be held later than March 1st of the year succeeding the year in which the tax levy is made.

7 The property will be sold to the person bidding the lowest rate of interest, and certificates will be issued therefor, and deeds given to such property sold, unless redeemed within three years from the date of such sales.

The 1901 assessment rolls will be received at the sheriff's office March 1st, 1902. Any written enquiries regarding 1901 taxes received prior to that date will be filed and promptly attended to as soon as the books are open for payments. In making enquiries as to amount of taxes, if possible, give to whom the property is assessed and a description of the same.

Dated this 25th day of January, 1902.

In going over the famous "Shasta Route" of the Southern Pacific Co. the traveler ever finds something new to excite his admiration and interest. Starting at Portland, one traverses the whole length of the Willamette Valley, the gem of the Northwest. Mt. Hood, Mt. Jefferson, and the Three Sisters and other snow-capped peaks are kept in sight for hours. The beautiful valleys of the Umpqua and Rogue Rivers, with their orchards of prunes, peaches, apples, and other fruits are a delight in themselves. The crossing of the great mountain barrier between Oregon and California reveals the grandest mountain scenery in the United States. The wonderful turnings, twistings, and doublings of the railroad bring into view a grand array of towering mountains and profound gorges into which we gaze from dizzy heights, forest clad mountain slopes streching up to the line of perpetual snow, and the foaming mountain streams dashing fiercely down deep canyons, now and then stopping for a short rest in some quiet pool. After a days enjoyment of old Mt. Shasta, the finest peak on the continent, we drop rapidly down the canyon of the Sacramento to the broad plains of the Sacramento Valley in California, and thence through vineyards and orchards to San Francisco.
