NOTICE TO REPUBLICANS.

EAST COTTAGE GROVE.

The primary election to elect 11 delegates to the Republican County Convention will be held in East Cottage Grove precinct on Saturday, March 22nd, 1902, at 2 o'clock, p. m., at Martin's Hall.

G. R. CHRISMAN, Chairman.

WEST COTTAGE GROVE.

The primary election to elect 20 delegates to the Republican County Convention, will be held in East Cottage Grove precinct on Saturday, March 22nd, 1902, at Masonic Hall at 2:30 P. M.

G. R. CHRISMAN, Chairman.

The Multnomah county republican primaries were held last Saturday. It was purely a Simon and anti-Simon fight. For a long time Portland and Multnomah county seems to have tired of the Simon rule, and it is apparent to everybody that his influence and work in Washington has resulted in no particular credit to the state. The fight was well fought by both sides. No stone was left unhurt. It was a fight to the finish, as the entire state of Oregon looked to the result in Multnomah as a criterion of the political events to follow. It was a contest to determine whether Multnomah should set up, as an example for the state, a broad and fair and honest basis of political preferment of whether the old machine of treachery, vice and crime should hold sway longer. The fight was won by the followers of right and order, men who were tired of being lead one day and driven the next by an infamous machine boss. It is the first time in ten years that Portland has actually got in and downed the big vulture, but for all of that it is done and done neatly, and with dispatch. She deserves the congratulations of the state.

RIGHT IDEA.

In commenting upon Senator Simon who has just met with a bad defeat in the republican primaries of Multnomah county, the Guard very appropriately has the following:

The fundamental objection to Mr. Simon as a senator is that he is doing no good for Oregon. Moreover, from his temperament, his self-isolation, his unsocial nature, his lack of the spirit of human intercourse so essential to position and efficiency in the senate, he can do nothing for Oregon, no matter how long he may be there.

He has talents, but they are not the talents required in that position. The man doesn't fit the place; the place doesn't fit the man.

MASS MEETING.

A mass meeting will be held at Martin's Hall on the evening of March 24 for the purpose of nominating a mayor, recorder and councilmen, to be elected for the term of one year on the first Monday in April. Every citizen interested in good government and who takes a pride in the successful manipulation of municipal affairs should be present.

Last Saturday was a sort of Waterloo for Senator Simon in Multnomah county. No doubt there was considerable revelry, but not for Simon—nit!

The prompt payment of taxes this year is strong evidence of the truly prosperous condition of the country.

INITIATIVE AND REFERENDUM.

Senator Mitchell has placed himself on record in favor of the initiative and referendum as witness the following letter:

"Washington, Feb. 26.—Hon. W. S. U'Ren, Secretary Direct Legislation League, Oregon City, Or.—Dear Sir: I beg to acknowledge receipt of yours of February 17, just received, in which you state that the Portland Board of Trade has referred to its committee on legislation a request from the Direct Legislation League of Oregon for their indorsement and approval of the proposed amendment to the constitution of the State of Oregon, providing for the initiative and referendum.

"I think you know without any expression from me that I not only am now but have been for years heartily in favor of this proposed amendment, and I have no hesitation in expressing myself at all proper times and in all proper ways in its favor. I believe a large portion of the people of Oregon favor the amendment; so let us try it.

"I have not the time at present, nor do I think it necessary to go into the specific reasons why I favor this amendment. The reasons entertained by those who favor it are known generally to the people of Oregon.

JOHN H. MITCHELL."

Senator Mitchell is right when he says a large per cent of the people of Oregon favor the issue. Again he is right in spirit and thought when he places himself at the service of the people in an issue of such importance. It shows that he realizes the responsibility of his position and does not ignore the fact that the people of Oregon have claims upon him. In the long run Senator Mitchell will be found right, and when not looked at through the glass of impartiality he will be found with the people of his state.

CITY ELECTION

WHO WILL BE THE NEXT MAYOR?

A LITTLE TALK ABOUT COUNCILMEN.

There has been more or less talk the last week about the coming municipal election and who will be the next mayor of Cottage Grove. Thus far only two citizens have been mentioned for the office, who are Darwin Bristow, President of the First National bank of this city, and ex-mayor, having served two terms in that official capacity; and Dr. B. R. Job, who is a well known citizen of several years standing, and who has many friends here who are loud in praise of him and who are urging him to say that he will accept the nomination.

When approached on the subject by a Nugget man Mr. Bristow remarked that while he had been solicited by some of his friends regarding the matter, he had given it no serious thought for the reason that he had no desire to be elected to the office again. "I have," said he "much business on my hands, and while I appreciate the honor that my friends would confer upon me, I feel, in justice to myself and my business interests, that I must not contemplate such a step at the present time. I feel that there are others fully as competent and who are deserving and should be considered."

When the name of Dr. Job was mentioned to Mr. Bristow, that gentleman seemed pleased and remarked: "I am sure Dr. Job is a highly competent and deserving man, and I could support him in all earnestness. I hope, should he let his name go before the people, that he will be elected, for I am quite sure he will fill the position with credit to himself and Cottage Grove."

Dr. Job was interviewed and stated that he had been solicited to let his name go before the people, and had given the subject some thought; but said he, "I have no particular desire to hold office. I realize that it requires considerable of one's time and no small amount of responsibility; and while I do not care to make a vigorous effort for it, I will say here that I would not decline the honor if the people of Cottage Grove have confidence enough in my ability to elect me."

After canvassing the town it is apparent that Dr. Job is a favorite and this is more apparent in view of Mr Bristow's desire not to be a candidate for the office. There is no one who doubts Mr. Bristow's ability. He has the confidence of the majority of the citizens of this city, and while many will regret his decision in the matter, it is a foregone conclusion that they will find in Dr. Job a painstaking, thorough and competent officer who will fill the position with honor in the event of his election.

Regarding the election of councilmen in the several wards, it seems to be the desire of the voters to elect men of ability, who can grapple with the various problems always confronting a municipal government. As yet there is little talk as to who will be nominated, but it must be borne in mind that the city has grown and needs some steady hands at the wheel.

THINGS TO REMEMBER.

That there will be a city election in Cottage Grove on Monday, April 7th, 1902. A mayor, three councilmen, treasurer and recorder are to be elected to serve for the ensuing year.

That the republican primaries for East and West Cottage Grove are to be held on Saturday, March 22, 1902. East Cottage Grove will hold forth at Martin's Hall and West Cottage Grove at the Masonic Hall.

That the Republican County Convention meets at Eugene Saturday March 29th, and that Cottage Grove will be entitled to 21 delegates, 11 from the east and 10 from the west.

That you must register before you are entitled to vote at the June election. The time for registration expires on May 15th 1902. Do not be impressed with the idea that because you registered two years ago that you will not have to do so again, as the law requires you to register every two years. Registration costs you nothing but a few minutes of time, before any notary or justice of the peace. So don't disfranchise yourself because you are too lazy to register.
