

DEMOCRATIC PRIMARIES.—

Although the day was propitious there was an exceeding light attendance at the democratic primaries Saturday. There was little or no enthusiasm manifested and the routine work of nominating delegates was quickly over with. L. F. Wooley was made chairman, and J. S. Medley, secretary in east Cottage Grove. The following is the list of delegates to the democratic convention to be held at Eugene on April 5th: James Lebow, C. H. Wallace, L. F. Wooley, Winters Wallace, Jesse Martin, Curris Cooley, J. S. Medley and G. G. Warner, C. A. Vanschoick was nominated road supervisor, R. M. Veatch was made chairman and Robt. Cooley secretary in west Cottage Grove. The following is the list of delegates: Geo. Thompson, F. H. Rosenberg, T. J. Markley, W. F. Gray, Whit Gowdy, R. M. Veatch and J. R. Cooley. Alf Powell was nominated for road supervisor.

Both precincts endorsed A. H. King for justice of the peace and Albert Wallace for constable.

A NEW CITY TICKET.—

Monday evening at a "taxpayers' meeting held at the Masonic Hall, following ticket was named for city officers: Mayor, R. M. Veatch; recorder, Thos. Medley; treasurer, Herbert Eakin; councilman for first ward passed over; second ward, Frank Wheeler; third ward, U. S. Martin, L. F. Wooley presided over the meeting with Thos. Medley as secretary. It is to be hoped that out of this entire lot of candidates now before the voters that an exceptionally strong ticket can be elected, and that city affairs from this on, will glide as smoothly as a summer stream.

EASTER SERVICES.—

Impressive Easter services were had at the C. P. Church Sunday noon. A splendid program consisting of duets, quartettes and choir singing, interspersed with short speeches, recitations and dialogues was rendered. The anthem "Come Where the Lilies Bloom" with twenty-five voices was an especial feature of the occasion.

SERVICES AT M. E. CHURCH.—

The Easter program at the M. E. Church last Sunday evening was well rendered, and seemingly very much enjoyed by the large crowd present. It consisted of a medley of songs, recitations and dialogues. The children had been carefully drilled and they performed the various exercises with precision and without hesitation.

IMPROVEMENTS.—

The upstairs of the Finn building is being finished up for offices. Lights and water attachments with every up to date convenience will be the order. Mr. W. F. Morphy, manager of the Cottage Grove and Bohemia railroad will occupy a suite of rooms.

CLEAN UP.—

B. Lurch has set the example by pruning his trees and cleaning up his handsome yard on Main street. Now is the time to make a raid on rubbish in streets, yards and alleys for the combined purpose of health and beautifying the premises. Cottage Grove can be made very attractive by a little care and attention of the property owners.

A GOOD WILD CAT.—

Dave Mosby brought in a wild cat last Saturday which had fallen a victim to him and his dogs on Mosby creek. Mr. Barker will have the "varmint" stuffed and mounted after R. M. Veatch's latest method.

NEW FREIGHT LINE.—

Dennis Cooter has established a freight line from Cottage Grove to Black Butte and Amos. He leaves on Monday of each week from the store of the Pacific Timber Co. his headquarters, where all orders should be left.

DANGEROUS.—

There is an ugly hole in the crossing from the bridge to the bank that needs fixing. Some one is liable to come up with a broken leg one of these days, and then there will be trouble.
