likes his Oregon position very much, but the salary offered at the University of Kansas is higher. The library facilities of the University of Oregon are not so extensive as those of older institutions, and Dr. Strong has been asked to do a very important piece of historical work for a large English publishing company, and he felt that he could attend to it much better there. The university has 1200 students.

NARROW ESCAPE.

Ed Hansen, a workman at the Straton hydraulic mine on Rogue near Galice, accidentally stepped into the sluice in the diggings Monday, and before he could recover himself was swept over the flume and thrown over the dump, falling a distance of 25 feet and rolling down the precipice some 60 feet further. He was picked up United States Land Office.
