

MURDERED FOR HIS MONEY

Ben Tracy of Junction the Victim of Assassin's Bullet.

Junction, May 20. - Ben Tracy, a gambler and partner of W. Wadde in the Monogram saloon of this city, was shot and instantly killed at 12:20 o'clock this morning while alone in his place of business. Motive for the crime was robbery as the dead man was supposed to have a large sum of money on the premises. It is not known how much booty was secured. Suspicion points strongly toward a itinerant gambler who has been hanging around town for several days. He has disappeared since commission of the crime and cannot be found. Telegrams giving a description of the suspect have been sent out in all directions together with one to Sheriff Withers and Coroner Griffin notifying them of the tragedy.

The suspect weighs about 180 pounds, and is of a nervous disposition. He continually chews gum; is about 5 feet 3 inches tall, dark complexioned, has sharp features, prominent nose and is clean shaven.

His sickness was short duration, the cause of death being metallic poison, probably received by eating canned fruits put up in tin.

Mr. Southwell leaves behind him to mourn his loss two brothers and one sister.

The burial took place at the Pendleton cemetery on May 10th conducted by Rev. R. W. King, pastor of the Baptist church.

In a recent article a prominent physician says, "It is next to impossible for the physician to get his patients to carry out any prescribed course of hygiene or diet to the smallest extent; he has become a resort left, namely, the drug treatment." When medicines are used for chronic constipation, the most mild and gentle obtainable, such as Chamberlain's Stomach & Liver Tablets, should be employed. Their use is not followed by constipation as they leave the bowels in a natural and healthy condition. For sale by Benson Drug Co.
