Instead of being tooled upon as an excession for the disappointments that constitute the Brittab experience in the rout of being tooled upon as an excession for the disappointments that constituted the Brittab experience in the rout of the American people. Instead of the rout of the Brittab experience in the rout of being tooled upon as an excession for ance by so small a body when opposed by a multitude. The Carthagenians held legions at bay for years, but they were in a walled city; the Sparians had their

in a wailed city; the Spariana and their Thermopylae. The Transvalers have repeated the acts of both, and have done so time and again. Stormberg, Magers-fonteln and Colenso will live in memory Perhaps the last act in this drama tes-

tifies more than any to the true great-ness of the men in the veldt. To save their friends and neighbors in Cape Colony from punishment they accepted harsher terms in the peace protocol than would have fallen to their lot had they not insisted upon amnesty being general throughout South Africa.-Gincinnati Post.

Hanging Women.

As long as the punishment of death is fixed as the penalty for willful and de-liberate murder where is the reason for a distinction of persons on account of sex if guilt is proved? If it would be horri-fring to hang a woman for murder it is fring to hang a woman for mirror it is also horrifying for a woman to be guilty of murder. Only the deepest depraviry inspires unrder in a woman's heart. A woman seldom or never commits murder

in the heat of passion under cruel prov-ocation. Aimost universally in murder by women erotic inspiration is the im-pulse and the cunning of deliberation is he method. If there are cases where a woman mur-

ders her husband to get him out of the way so that she may inherit his property she always has a male accomplice execting to share in the gains of guilt. pectrar to whate in the gains of goint Such murders are always stroicous, with surrounding circumstances of peculiar wickedness in the inception and the com-mission of the crime. These facts, if they appear in any case, have a tendency runa Medicine Co., Columbus, Ohio, to divest the mind of sensibilities regard ing women which are inspired by their innocence and worth in the general rela-
