

NEW BRIDGE.

An enterprising committee consisting of R. M. Veatch, J. P. Currie, C. H. Burkholder, O. Veatch, John Baker et al., invaded the county court at Eugene Wednesday and succeeded in getting the honorable body to favorably consider the proposition of building a new bridge at Cottage Grove. Their first endeavors were for a steel bridge, but it seems that this could not be had, so they gracefully accepted the proposition for a wooden structure. The bridge is to be 20 feet in width entirely new and strong, with concrete abutments, with eight foot side walks on either side, the latter to be constructed by the citizens. This is a good stroke for the town and vicinity, as the ancient structure as it now stands is not only unsightly but dangerous, and in no way adequate for the amount of travel. Operations will immediately begin on the new work and in a short time Cottage Grove will have a crossing to be proud of.

DEATH OF IRA N. BAKER.—Ira N. Baker, an old time resident of Cottage Grove, passed away on the morning of the 31st of August at the home of his son-in-law, C. P. Blankenship at Willamette, Oregon. Mr. Baker was born in Virginia in 1826, and was in every way typical of that class of sturdy men who do not wait for opportunities but venture ahead. Once wealthy, but the misfortunes of war reduced him to the ranks financially. He reached Cottage Grove in 1875 and was several years justice of the peace. In 1882 he removed to East Portland and engaged in the wood and timber business in a few years accumulating a snug competence. He returned here in 1896 and remained until 1901 when failing health compelled him to remove to Willamette for treatment. A widow, two daughters, the Mrs. Blankenship, and one son, D. M. Baker survive him.

SHR'S ALL RIGHT.—Mr. and Mrs. Frank Woolley left Tuesday for the Bohemia Mining District, accompanied by his father, Rev. Woolley, of Eugene, where they will remain some time doing development work on the valuable property owned by Mr. Woolley. During their absence Miss Ethel Woolley, with the assistance of Miss Edna Wallace, will get out the "Leader," doing all the work on the same, including job work, etc., which is no small task, the Leader being a bright, neassy little five-column quarto paper, well printed and a credit to our town. Miss Woolley is certainly a jewel and her father should indeed thank his stars that he has so competent and resourceful a daughter to have in charge of his office during his temporary absence.

THREATENED WITH TYPHOID.—Upon his arrival in Portland last Friday C. J. Howard was taken ill and confined to his bed at the Perkins hotel, where he was found by Mrs. Howard upon her arrival from the east. However he was able to be brought home Sunday evening on the overland, where he has since been confined to his bed. Dr. McAllister was summoned from Eugene Monday and pronounces the trouble threatened typhoid fever, which he expected to check. At this writing Mr. Howard is reported somewhat improved.

HOMEROUND.—The Misses Ida and Ada Smith, twin sisters, departed for their old home at Indianapolis Monday. The two estimable young ladies have followed the occupation of school teaching in this neighborhood for the last three and a half years and in the mean time have gained a host of friends and admirers who greatly regret their departure.

GETS ANOTHER DEER.—Little Allan Baker of whom mention was made some time ago, the twelve-year-old son of Jno. Baker, killed his second deer one day last week on his brother's ranch up on Mosby creek. Allan is a good shot and keeps cool, not being subject to the "luck fever," or he could not bring down a deer at a distance of two hundred yards with an ordinary Winchester.

RETURNED.—Wesley Chrisman and family, and J. B. Stewart and family returned Monday from a six weeks tour through the Silver, Lake and De Schutes country. They were sunburned and tanned to a salmon color, but hale and healthy withal.

PUGILISTIC.—There was a pugilistic encounter on the west side Wednesday evening in which the principals and seconds were young ladies. Hair pulling, scratching, "swiping" and screaming provided quite an entertainment for passers by until the life saving crew interfered and called the scrap off.

SHERWOOD HOUSE SOLD.—John Sherwood this week sold the Sherwood house to Mr. Florian Tucks, of San Antonio, Texas, for the sum of \$7750. This is a valuable brick property on Main street and has long been a very popular holdover, so the new proprietor man be well satisfied that he has made a profitable investment.

HOP PICKERS WANTED.—I will commence picking hops in my yard one mile east of Creswell on Monday Sept. 8th. The hops are much larger than usual, perhaps larger than any in the county and splendid wages can be earned at 50cts. per 100lbs, or as much as any other yard in the county as large, pays good camping ground with good water and plenty of wood. Picking will last about three weeks.

BARBER SHOP AND STORE.—Messrs. Allison and Madsen are having a two story building constructed on the lot adjoining the Sherwood hotel on Main street. The building will have a stone foundation, glass front and iron roof; will be 28 feet by 30 feet on the foundation and 28 feet high. The lower story will be occupied by Messrs. Allison and Madsen as a barber shop and jewelry store respectively, while the upper part will be used for offices.

ADVERTISING PAMPHLETS.—At a meeting of citizens held at the office of Rhy & Johnson on Thursday evening last for the purpose of devising ways and means for the publication of literature relative to the great resources of South Lane county and the industrial development of Cottage Grove and Bohemia, for circulation in the Middle West and Mississippi valley states, with the intent of securing a goodly portion of the new comers from those sections who are now looking toward Oregon for future homes, Dr. B. R. Job was selected as chairman and T. H. Supple as secretary. For the purpose of raising the necessary funds for printing the descriptive pamphlets the following committee was appointed: F. D. Wheeler, J. I. Jones, Ben Lurch and James Hemenway. For drafting the literature to be contained in the proposed pamphlets, a committee of four was also appointed as follows: T. H. Supple, Charles Burkholder, Robt. Alexander and Frank Jordan. Nothing further coming before the meeting it was adjourned to the call of the chair.

A COMMUNICATION.—Mr. E. R. Job—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with the bronchitis and could not sleep at night. I tried several doctors and various patent medicines, but could get nothing to give any relief until my wife got a bottle of this valuable medicine, which has completely relieved me.—W. S. BROCKMAN, Bagwell, Mo. This remedy is for sale by Lyons & Applegate, Drain, Benson Drug Co., Cottage Grove.

SUGAR.—A car load of Dry Granulated Sugar \$4.75 pr. cwt. at GARMAN & HEMENWAY.

Josh Westhafer, of Loogootee, Ind., is a poor man, but he says he would not be without Chamberlain's Pain Balm if it cost five dollars a bottle, for it saved him from being a cripple. No external application is equal to this liniment for a stiff and swollen joints, contracted muscles, stiff neck, sprains and rheumatic and muscular pains. It has also cured numerous cases of partial paralysis. It is for sale by Lyons & Applegate, Drain.
