

BOHEMIA NUGGET.

LEE W. HENRY, Editor and Proprietor.

Entered at the postoffice at Cottage Grove, Oregon as second class mail matter.

Subscription price, \$1.50, in advance. Advertising rates made known upon application.

THIS PAPER is kept on file at E. C. Drake's Advertising Agency, 54 and 55 Merchants Exchange, San Francisco, California, where contracts for advertising can be made for it.

FRIDAY, SEPTEMBER 12, 1902.

The second payment of your subscription to the O. & S. E. R. R. has been due for some time and is payable at the First National Bank in this city. Every man and firm in Cottage Grove that put down a dollar to help secure a right way for this road should see to it that it is paid just as was agreed. Perhaps we will want to offer a bonus for some other enterprise in the near future and unless we keep our agreement in this instance our credit will be mighty poor in the future. But a word to the wise is sufficient and doubtless the calling of attention to this matter will have some effect.

In another column will be found an extended article taken from the Pacific Miner of Sept. 1st descriptive of the great Bohemia mining district. It is from the able pen of T. H. Supple, formerly of this paper, who just recently returned from a two-week's sojourn in the hills of Bohemia where he visited all the principal "diggings." It is a first class writeup and fully up-to-date, hence we reproduce it in its entirety for the perusal of our many readers who are interested in the progress of Bohemia.

When a genuine "tenderfoot" will stumble around over a group of mining claims in Bohemia unattended and pick up a piece of ore weighing several pounds that assays over \$3,000 per ton it is a pretty good indication that we have in Bohemia a second Cripple Creek. This actually happened on the Sunrise group not long ago.

Democratic papers throughout the country are constantly burling columns of "stuff" at the head of President Roosevelt on account of his attitude and utterances on the trust question. The trouble seems to be they are afraid of being left stranded up Salt Creek without an issue for the next campaign.

Have you heard from Maine? The republicans carry the state by nearly twice the usual off-year majority.

STATE FAIR AT SALEM.

Attend the State Fair to be held at Salem, Sept. 15th-20, 1902.

Take a few days after haying and harvesting and go away for a change of scene and air. Too few farmers and farmers' wives take any vacation during the year. There is nothing so good as a change of living and a few days' rest to brace one up, both physically and mentally.

Most of the large city business houses give their employees one or two weeks vacation during the year, and they find it pays well in the better health of their men and greater interest taken by them in their duties.

A weeks rest attending the state fair is both educational and restorative. The exposition building will be filled with the finest exhibits of the farm, field and orchard. The livestock shows will surpass anything of the kind ever given on the coast, and no progressive farmer can afford to miss the possibilities of improved breeds and breeding.

Good racing every afternoon between the fleetest footed racers on the coast, good music and high class entertainment in the evening.

Reduced rates will be made by the Southern Pacific for the occasion. Ask your agent for full information.

MORE TEAMS WANTED.—We can use all the teams we can get to haul ore from the Helena mine to the end of our track. The teams now on the road cannot take the ore away as fast as it is mined. Address W. F. MORPHY, General Manager O. & S. E. R. R., Cottage Grove, Ore.

WRITING MATERIAL.—All the little things you need to make your writing desk look literary you will find here, and a nice variety, too.

BENSON DRUG CO. WANTED.—Teams to haul wood at Alca. \$4 to \$5 per day can be made. Apply to Pacific Timber Company, Cottage Grove, or G. Johnson at Alca.

FOR SALE.—A cottage with one, two, or two and one-half acres of land. Inquire at Second house south of railroad on Fourth St. L. C. LEE. 8-8

FOR SALE.—Eleven head of stock cattle and one young horse. For particulars inquire at Allison's barber shop.

WANTED.—Apprentice girls, apply at once. MRS. PET SANFORD.

HARDIN Z. PERKINS.—Hardin Z. Perkins was born in Garrett county, Ky., Aug. 28th, 1838, and came to Oregon in 1864, residing in Baker county until the date of his death Sept. 6th. He was the brother of Mrs. Wynne, Joseph Perkins, deceased, and Mrs. Currin of this place. Mr. Perkins had been visiting here during the summer, went to the coast, and tried various outings for his health, and finally returned home apparently improved. It seems that his disease was something similar to jaundice and encroached on his system so insidiously that his end came before he was aware of any serious illness. Five children survive him among whom are Joseph Perkins of this place.

HIS EYE ON COOS BAY.—T. W. Jenkins left the first of the week for Portland, where he will visit a few weeks and attend the state convention of the M. B. A. before leaving for the east on an extended visit. Tom has his "weather eye" on the Coos Bay country, where he expects to cast his lot as soon as the new transcontinental railroad is an assured thing. Should the Coos Bay bubble burst he will doubtless conclude there is no place like Cottage Grove, return and watch us grow. However we wish Mr. Jenkins abundant success wherever he may cast his lot.

CIGAR FACTORY.—H. G. Kurbitz, a cigar man from Portland, and a couple of friends, stopped off here last Sunday on their return from the Coos Bay country of which so much is being said just at present. They declared themselves well pleased with the looks of the country down there but stated that it was too early yet to find out much about it. They were well pleased with the outlook here and had they found business openings and houses for rent would certainly have located in our city. One is a cigar manufacturer and the other is seeking a new field for a stock of general merchandise.

HORSE AND SADDLE TAKEN.—H. B. Yancey rode into town Monday evening on his mare, tied her near Hemenway & Burkholder's store, and went about town attending to his business. When he returned about 8:30 to get the animal and go home, behold! she was missing. However, he went home without her expecting to find her there upon his arrival, but she was not to be found, hence he concluded she had been stolen, saddle, bridle and all, together with a Mackinaw coat that he had tied upon the saddle.

IMMENSE COW BARN.—Bert Wood and other carpenters are just putting the finishing touches on J. I. Jones' new cow barn, on his place east of Saginaw, this week. It is one of the largest and best arranged barns in this part of the country being 56 feet by 134 feet and containing four silos 12 feet square and 30 feet in height. Mr. Jones is one of our most enterprising citizens and has been here long enough to know the various resources and shortcomings (if there are any) of the country.

FANCY WORK CLASS.—Miss Cora Baker closed a very successful fancy work "tournament" in the J. S. Medley building on Main street, during which at least twenty Cottage Grove ladies took lessons and purchased material for various kinds of embroidery work. Monday she left for Eugene where she will proceed to organize a class at once. Success will surely attend her for she has no superior in this line having made it a study for several years.

PARK SALE.—William Landess has sold his portion of the beautiful grove just east of the city known as the Long and Landess Park. Mrs. Louisa Hoch was the purchaser and the sum was \$650 for one and one half acres. This is an ideal resort for preaching, picnicking and all sorts of celebrations which has been so used for many years. It is a fine building locality and no doubt the purchaser will greatly improve it.

SERIOUS ACCIDENT.—Lewis Wilson, a logger at Mill No. 1 of Booth-Kelly Co., had the misfortune to have one of his feet badly crushed between two logs Tuesday. He was brought to Cottage Grove that evening, where Dr. Anderson dressed the wounded member, and on Wednesday was sent by train to the company hospital at Eugene.

FOR HORSE RACING.—Handsome purses aggregating \$450 will be paid at the Eugene Street Fair and Carnival for horse racing. This handsome sum gives assurance of some splendid horses and some fast races during the carnival.

FOR SALE.—Eighty head fine ewes, Merino and Cotswold, also sixty head Angora goats. I also have a good stock ranch of 280 acres for rent. Particulars at this office. J. M. GILKISON.

FOR SALE.—Twenty-two head of mixed cattle for sale, including a good two-year-old bull. J. A. ELLRIDGE.

IMPROVED FARMS WANTED.—We have a few cash buyers for improved farms. Also city property. PHILLIPS & WHEELER.

Good second hand carriage and harness for sale cheap by Eakin & Bristow.
