Ralph and Frank Whipple, who have been down from Bohemia a week or ten days on a visit, returned to the hills the first of the week where they will resume their work.

The Bohemia stage continues to come in and go out loaded down with passengers to and from the great Bohemia Mining District. This is evidence that something is doing up there this fall.

An order for a package of medicine came to Morgan & Brielow from Switzerland a few days since, which was at once filled and transmitted. It seems that the fame of this firm has reached beyond the Alps.

The beautiful weather of the past few days cannot be exceeded anywhere on earth and will let ten cents on it. Autumn weather in Oregon after the first rains fall and by the dust, is certainly as fine as the most fastidious can wish.

China pheasants are reported as very scarce this season owing to the late, cold and chilling rains of last spring when it is asserted, many of the young birds chilled to death. However there are many in some localities and the sportsmen are out after them this week.

Several inches of beautiful snow fell in Bohemia last Thursday but almost immediately disappeared when subjected to the warm autumn rays of old Sol. "It was a genuine reminder to the boys in there that this splendid weather will not last forever hence they must make hay while the sun shines.

The pony and dog minstrel show of Beach & Bowers that gave an exhibition here Tuesday evening drew quite a crowd. The parade was good and gave promise of something splendid inside. Those present differ in opinion as to the merits of the performances but they seem to be no difference of opinion as to the exorbitant charges made to see the same.

The Redmen report a very pleasant time last Monday evening at their regular meeting at the hall. Among the interesting events was an oyster supper at Wilson's restaurant at Fred Gale's expense, he being fined that amount for neglecting to bring a box of cigars. The Redmen seem to have their full share of good times and must be a jolly set of fellows.

Harry Clarke received the sad intelligence last Thursday that his brother had suddenly and unexpectedly passed away at his Portland home. In response to the same he took the overland Friday morning for that city, where he attended the funeral, returning here Tuesday afternoon. His brother's death was quite a sudden shock to him for when last seen he was hearty and strong, death resulting from a sudden attack of pneumonia.

September Weddings.

Dispatch to Evening Telegram.—Hillsboro, Sept. 26.—One of the prettiest weddings ever seen in Hillsboro was solemnized at the residence of Mr. and Mrs. Peter Boscow, when Doc F. Patterson led to the altar their daughter, Grace C. Boscow. After a beautiful solo, effectively rendered by Miss Myrtle Lee, accompanied by Mrs. Barker on the violin and Mrs. Wehring on the piano, the young bride and bridegroom preceded by the officiating clergyman, marched to the strains of sweet music to the window, where, amid floral decorations of beautiful design they pledged to each other their troths and were pronounced husband and wife. The bride was charmingly attired in a gown of white organdie with Valenciennes insertion. She carried a bouquet of white carnations. The decorations throughout were most effective, being Autumn leaves and ivy; the dining-room being in pink chrysanthemums, with the effect greatly heightened by the tasteful festoons of pink ribbon. In keeping with this general scheme the whole house was harmoniously decorated. After the ceremony the many guests sat down to a sumptuous repast. The presents were elegant and numerous. Mr. and Mrs. Patterson departed for their honeymoon on the 4:29 p. m. train, showered with the good wishes of their many friends. Their home will be at Cottage Grove.

THOMPSON-THORNTON.—At high noon on Tuesday last occurred the wedding of Mr. Archie Thompson and Miss Mabel Thornton at the home of the bride's parents, Mr. and Mrs. J. V. Thornton in this city. The impressive ceremony was performed by Rev. Wallace, after which the assembled guests extended congratulations to the happy groom and the blushing bride when they sat down and partook of a sumptuous wedding dinner. The groom is employed at the Booth-Kelly mill east of Saguinaw where he has been several years and where they will make their future home. The bride is the youngest daughter of Mr. and Mrs. J. V. Thornton of this place, where she is well known and has a host of friends. This paper extends hearty congratulations.

NEW ENTERPRISE FOR COTTAGE GROVE

Mr. James A. Gorman is in the city in the interest of the Phoenix Saving Building and Loan Association of San Francisco. This company, as is generally known, is the second largest financial institution of its kind in the west, its phenomenal success during the past two years being something to excite the admiration of western money circles.

The subscribed capital of the "Phoenix" now reaches the sum of \$5,500,000 with a prospect of reaching the \$10,000,000 mark before the end of the year. Its success has been largely due to the high standard of the management which includes such men as Charles E. Ladd, of Ladd and Tilton, the well known Portland bankers; A. A. Watkins, President of the San Francisco Board of Trade; Chas. R. Bishop, vice-president of the Bank of California; S. Prentiss Smith, of the National Bank of D. O. Mills, Sacramento; Clarence Grange, late Building and Loan Commissioner of the State of Montana.

Another feature which has added to its success is a reserve fund of \$100,000 which guarantees depositors from loss. The "Phoenix" is the only company in California with such a protective fund.

Lately the company has put upon the market a new class of stock with an absolute guaranteed maturity, such stock also participating in any surplus earnings over and above the guaranteed rate. This forms a very attractive investment for people who are desirous of knowing what they buy.

On time deposits, withdrawable in full after twelve months, a rate of 6 per cent interest per annum is paid.

The company has \$20,000 to loan for building purposes or on improved property in Cottage Grove. \$12 per month deposited for 100 months will produce \$2,000.

For further particulars apply to JAMES A. GORMAN, Imperial Hotel.

OPENING OF PUBLIC SCHOOL.

Attendance Larger Than Ever Before—297 On First Day.

The public schools of our city opened last Monday for the school year of 1902 and with an initial attendance of 297 which is the best in the history of the schools and due largely to the increased population of the city. The total attendance last year was but 269 or 28 less than that of the opening day this year. The teachers in the various rooms this year are full-fledged educators and said to be fully up-to-date in their work.

The school never opened under more auspicious conditions than this year and doubtless the nine months of school will prove a profitable term to the many pupils in attendance. The teachers are as follows: Miss Maud Kelly, primary; Mrs. Lincoln Taylor, 2nd primary; Miss Ethel Force, 1st intermediate; Miss Marie Thompson, 6th and 7th grades; Miss Elsie Lea, 7th grade; Miss Marion White, 8th and 9th grades, and Prof. A. L. Briggs, 11th and 12th grades.

STRICKEN WITH PARALYSIS.
Henderson Griment, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, my wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured.
—Geo. R. McDonald, Man, Logan county, W. Va. Several other very remarkable cures of partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, sprains and bruises. Sold by Lyons & Applegate, Druggists, Benson Drug Co., Cottage Grove.
