The most of the boys that have been at work on the pipe line at Upton, Calif., have returned here and are killing time in our city until the plant resumes operations here about the first of January.

Frank Hambrick was a caller at this station last Monday having returned lately from Upton, Calif., where he has been at work on the S. P. pipe line, which jobs he has held now for over three years.

Quite an aggregation of the friends, relatives and neighbors of J. L. Jones came in on him by surprise last Monday evening, the occasion being one of his birthdays (we failed to learn which one,) and enjoyed a most pleasant evening.

A stroll about town and a look at the window displays in the various business houses will convince the most skeptical that the enterprising business men of our city are keeping pace with the rapid growth of our city and are strictly up-to-date.

Unless the S. P. railroad rushes the work on the new sidetrack that is to be in between the depot and the main line, they will be unable to finish the work there this fall. Unless the switch is put in, they will be unable to put in the platform, and then the mud will be so deep there this winter that they will have to use a boat instead of a baggage truck.

One of the side tracks on the O. & S. E. railroad has been extended several hundred feet alongside the log pond of Long & Blighman's saw mill and now the unloading of logs from the cars is a very easy matter. They are simply started to roll from the cars and go "her plunk" into the muddy waters of the log pond where they are sorted out and hauled up the log way to the mill. This point is a great improvement over the old way and as it has been filled to overflowing by the recent heavy rains, now works like a charm.

Among the Eugene people to take in the Thanksgiving football game here between Roseburg and the C. M. A. team of this city, was young Kaykendahl, Matlock and Stockwell of the Eugene high school team which is matched for a game with the boys here for next Saturday. No doubt the boys of our place pointers on the C. M. A. style of playing the game which may be of some benefit to them in the coming contest. Nevertheless, the local team will give the visitors a hard time, and they had this year and may be a match for them. The Eugene high school team is one of the best in the state, and is known as such, hence should our boys play them even a tie game, it will be glory enough for one year.

### Sailor Shot At Gardner.

An altercation between a sailor and Captain Nelson, of the schooner Lilly, at Gardner, on Tuesday morning of last week, resulted in the serious shooting of the sailor who is Theodore Lindgren, of the schooner Dora.

Of course, as is always the case, there are two versions of the affair and it is hard to tell which one is correct. It seems that Lindgren, who had been visiting Capt. Nelson's boat and was somewhat under the influence of liquor, was ordered by the captain to leave, but, according to the captain's story, refused to do so and drew a knife with which he attacked Lindgren, compelling him to shoot in self defense. Others say that the sailor was complying with the order and was standing near the rail with his hands upon it when he was shot.

A preliminary examination was held next morning and the captain was bound over, but released on his own "recognizance."

The wounded was man attended by Dr. Patterson who made incision to recover the bullet, but without avail. However, he has been resting easily and will doubtless recover. The bullet struck him in the right side, ranging downward and backward and the wound is a serious one.

### Eugene High School Vs C. M. A.

One of the liveliest football games of the season and perhaps one of the best among amateur teams, was held at grounds in this city last Saturday afternoon. It will be between the Eugene High school team and the C. M. A. team of this city. Neither of these teams have yet been beaten this year, each having played three games, hence the contest will be an interesting one.

The Eugene team played the Drain normal team early in the fall and beat them to the tune of 52 to 0. Not long ago our team played Drain and beat them 17 to 0. It is very difficult to make a comparison of the relative strength of the teams yet from the games that have been won by them, it would be fair to say that Eugene should win, easily.

However, there are several other things to take into consideration and we will not be surprised to see our boys hold the husky young visitors down to at least a tie score. If they succeed in doing this, it is enough for one year. Next year they will surely vanquish the boys from the county seat if the team stays together and does good hard work.

### Bakery Changes Hands.

The bakery on Second street formerly owned by O. L. Brown, was sold last week to Mr. C. H. Small, of Marion, Oregon, who has already taken charge and will remain at the old stand and attend to business.

Mr. Brown has returned to Marion, Indiana, where his people live, and will probably engage in business there.

### Will Carry The Mail.

Christian & Raups, who have the contract for carrying the Bohemia mail, are making arrangements this week for transportation to Star P. O., where horses will be kept and the trip be made on horseback from that point, thus saving about thirteen miles of muddy road.
