# RESUME OF THE YEAR

## 1902'S RECORD OF PROSPERITY AND DISASTER.

**There Have Been Volcanic Eruptions, Wars, Conflagrations and Explosions—Large Death Lists—And Still Times Have Been Good.**

Though most of the civilized world has enjoyed a continuance of the reign of mutual prosperity which began in 1901, it is undeniable that the year 1902 has made a woful record in the way of disaster and destruction of human life. The eruption of Mount Pelee, Martinique, May 8, may be given pre-eminence as the most disastrous occurrence of several decades, and its destructive work was supplemented by many costly conflagrations, especially during the early months of the year, and a number of deadly explosions.

Many noted persons have passed into the beyond since Jan. 1, 1902, among them being Cecil Rhodes, Rev. T. DeWitt Talmage, Gen. Wade Hampton, Frank R. Stockton, J. Sterling Morton, Sol Smith Russell, Bret Harte, Rear Admiral William T. Sampson, Lord Pauncefote, Gen. Franz Sigel, Edward Eggleston, Justice Horace Gray, Marie Henriette, Queen of Belgium; Emile Zola, Elizabeth Cady Stanton, Herr Krupp, Thomas B. Reed and Mrs. U. S. Grant.

**Guide Books Are Barred.**

A guide book is generally regarded as harmless. Not so in Turkey, as a German traveler has learned to his grief. Officials found in his trunk "a guide through Turkey" and confiscated it. The next morning the book was returned to the German, but with more than a hundred pages torn out. The traveler went to the censor's office to complain of this inexplicable treatment of his book. But the censor explained to him with irresistible logic that an accurate description of Constantinople could not be suffered, since a knowledge of the locality was calculated to facilitate an attempt on the sultan's life.

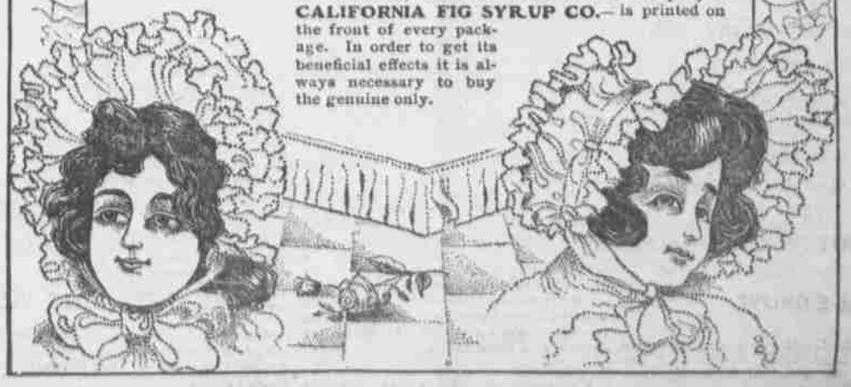
THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.

Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.


Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to our original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. The genuine article may be bought anywhere of all reliable druggists at fifty cents per bottle. Please to remember, the full name of the Company—CALIFORNIA FIG SYRUP CO.—is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only.
