Some time ago there was a hitch over ment, the question of the extent to which The control by the United States over this strip of land should go, Colombia ob-jecting on the ground that the provis-ions required in the treaty by the United States would mean a reliquishment of sovereignty by Colombia over part of her territory; but this matter was amicably settled, as was a difference as

to the lifetime of the lease of the strip of land in question, the final result being a practical cession in perpetuity to the United States for canal purposes and incidental police control and protection of the canal right of way

AMENDS PHILIPPINE TARIFF.

## Senate Committee Gives Heed to Sugar and Tobacco Men.

Washington, Jan. 24 .- The senate committee on the Philippines today authorized a favorable report on the Philippine tariff bill, which recently passed the house, but with important amendments. The house bill carried a more uniform reduction of the tariff on Philippine goods imported into the United States, making the rate only compensation remain as they ) per cent of the rates imposed by the he United States. Dingley law.

The senate committee amended the bill so as to provide for the admission f all Philippine produced articles free of duty except sugar and tobacco, and been attained by the adoption of a plan on these two commodities fixed the for a lease of 100 years, renewable at tariff at 50 per cent of the Dingley taxes or any assumption of authority over the island by the Cuban governschedules. This change was made to meet the objections of the sugar and the pleasure of the United States, mbia having nothing to say about tobacco producers of this country, who self not to pay them. indicial control is settled by a scheme have claimed that a duty of only 25 per of joint action, although it especially is cent on those articles would result in
